

MODULE ONE: December 3-7, Monday-Friday, 8:00 am – 5:30 pm

(1-hour break for lunch)

MODULE TWO: December 10-14, Monday - Friday, 8:00 am – 5:30 pm

(1-hour break for lunch)

Attached to this message are FAQs about the class. It will be held @ Stevens-Henager College in Boise, 1444 S. Entertainment Way. EnVision Real Estate School is pleased to offer the course at a tuition of \$579 which includes textbooks and materials; if you decide to register for this class, please click **HERE**. For more details on our school and Pre-License program, please visit our website @ www.envisionrealestateschool.com.

You may also want to check out the general Idaho real estate licensing information @ the Idaho Real Estate Commission's website, which is www.irec.idaho.gov. As a requirement for an Idaho real estate license, you will need to be fingerprinted. Although you don't need to have them prior to taking the class, this step is required to apply for your real estate license once you finish class, and since sometimes takes up to 3-5 weeks to receive them back, you may choose to plan ahead. You'll need to call for an appointment (phone number & instructions attached); the facility is called Pearson Vue. It's a little tricky to find, but in Boise, it's located in the Black Eagle Center on the corner of Overland & Maple Grove – the address is: 9183 West Blackeagle Drive, Boise, ID 83709, (208) 375-3079. Directions: From I-84 take exit 50A, west on Overland Road for app. one mile. Turn right (north) on S. Kimball Place, turn right (east) on Falcon Court. Pearson Vue is located on the north side of the street behind Banner Bank into the Saint Alphonsus Hospice building, and the entrance door is located on the east side of the building.

We are often asked about our pass/fail rate for the state & national licensing exams – we are proud to say that we have an 87-90% pass rate the first time you take the exam because we are committed to helping you understand the material, as well as assisting you in knowing the areas in which to focus your study efforts.
