

Public Information & Participation Session!

MYSTIC RIVER BOATHOUSE PARK & HART PERRY BOATHOUSE

Saturday
12.7.2019

4:00 pm @ Stonington High School - Commons Room

*Come and learn about the revised design
for the park and boathouse!*

The Park Committee has been working with the State Historic Preservation Office (SHPO) over the past year to compose a solution that celebrates the site's industrial past, while maximizing public use in the future. The Boathouse Committee has been diligently working to address public concerns of the initial design while also meeting the Historic Preservation requirements. Please join us as we share our vision for Stonington's newest public park and The Hart Perry Boathouse.
