You did a great job, Heather! Thank you for tackling this for us and being so willing to even do the proofing without track changes . . . I just loved your questions and this was a helpful thing to list them so I can reflect before seeing them inside on the document.

Got the two books checked and they look really great. My team and I are very happy with your work and feel lucky that we found you. You seem to be very thorough, getting into all necessary details and sharing nice comments and suggestions which would be useful for us and the writers. Thank you very much!

~ Issara K.

Thank you so much, your suggested changes were great . . . they make a positive impact on the readability. I appreciate the time and effort you put into helping me.

~ Ann L.

We received your edits and you did a great job. The notes were clear and concise. The article wasn't over edited and the voice of the writer still came through.

~ Jasmine W.

Fast and very good quality of work. Would definitely hire again.
