

Long County School System
Corporal Punishment Form
Please Complete for K – 8th Grade Students Only

Student's Name _____ Grade _____

Long County Schools are dedicated to educate, not to punish; however, when a behavior conflicts with the rights of others, corrective action may be necessary. Disciplinary actions are designed to teach students self discipline. Please refer to the student handbook for rules and discipline plans for each grade level.

Corporal punishment is authorized by Georgia Law and the Long County Board of Education Policy. Please accept or deny corporal punishment for your child.

_____ I **give permission** for corporal punishment to be administered to my child.

_____ I **object** to having corporal punishment administered to my child and wish for school suspension to be used instead.
