As part of our commitment to school safety, we continually review our policies and procedures to ensure that we are providing a safe and secure learning environment. To that end, we have revised our policy regarding book bags. **Beginning August 1, 2018, all backpacks and book bags must be clear plastic or mesh.** Students who choose to carry a backpack or book bag must ensure they are clear plastic or mesh. Please understand that it is not our goal to inconvenience our students, but to provide a safer school for everyone. While we would all love to have fewer restrictions, our job is to create the safest environment possible for students and staff. Thank you for your support as you partner with us to continue to make strides towards optimal school safety.

To view example photos of book bags, please visit [www.longcountyp.s.com](http://www.longcountyp.s.com).

\*\*Starred Items are optional but very much appreciated. These items are used for learning activities and sanitation. Individual teaches may require additional items as needed throughout the school year.
