

Welcome Back, Juniors!!

Lots of exciting things are coming your way! This year, you will order your class ring, “out-spirit” the seniors for the spirit stick, participate in all the Homecoming activities, and attend Prom 2019. It’s going to be a great year!

The Junior class is special because they are responsible for Prom! We don’t hold back when it comes to putting on the best prom in this area! Unfortunately, the best prom is going to take some fundraising. One way we raise funds is to require Juniors to pay dues. To help with costs, we offer an “early bird” special for those willing to pay a little sooner. Our dues and deadlines are listed below:

If you pay your dues ...	You pay ...
Now through Oct. 19, 2018	\$45.00
Beginning Oct. 22, 2018.....	\$55.00

We know money doesn’t grow on trees, so we have another fundraiser to cover the cost of your dues if you are willing to sell mouth-watering Butter Braids! In early September, we will have our annual Butter Braid fundraiser and will be offering a sales incentive that can cover your out-of-pocket expense for dues.

If you sell:

- 10 butter braids you get 1 free prom ticket
- 15 butter braids you get your junior dues paid
- 25 butter braids you get 1 free prom tickets and your junior dues paid

**Note – prom tickets earned from Butter Braid sales can be picked up the week of prom.*

Please take care of your first all-important responsibility as a junior as soon as possible, so that we might kick off the best year yet! If you have questions or concerns, please see a junior class sponsor right away. See Mrs. Yeomans (room 603) or Mrs. Gordon (room 404) to pay your dues if you know you don’t want to participate in the Butter Braid fundraiser.
