

## What is a School Parent Compact?

Our school-parent compact offers ways in which we can work together to help our students succeed.

Effective compacts:

- Focus on student learning
- Open avenues for communication between parents, families, and teachers.
- Share ideas from parents, families, students, and staff on how to make students successful.
- Describe ways in which parents/families can volunteer, observe, and participate in the learning process.

## Jointly Developed

The parents, families, students, and staff of Long County Middle School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents/families added ideas to make them more specific, and students helped identify their needs. Meetings are held each year in the spring to review and make changes to the compact based on student needs. The learning environment is ever changing and we recognize this. With your help we can make sure we are meeting the changing needs of our students.

Parents/Families are welcome to contribute comments at any time.
