

What is it?

Fielder Elementary **Arts Reflection Program** is excited to kick off its 2021 activities. This program provides opportunities for recognition and access to the arts which boost student confidence and success in the arts and in life. Each year students have an opportunity to create original works of art related to the designated theme (see theme below). This program helps them explore their own thoughts, feelings, and ideas, develop artistic literacy, increase confidence and find love for learning that will help them become more successful in school and life.

The 2021 Arts Reflection Theme is *I Will Change the World By...*

How does it work?
