

BUY OR SELL COMMERCIAL PROPERTY

AT FIRST DIRECT OPTIONS WE UNDERSTAND the importance of leveraging company funds. Our commercial property experts will make sure you get the best deal on the commercial real estate that fits your needs, whether you are selling or buying. We will protect your interests at all times during the sales process to ensure that you get what you need and want out of the sale.

Purchasing commercial property is a little different than purchasing a home, but we at First Direct Options understand these things and we will look out for your interests in the entire real estate purchase process.

Our Commercial Real Estate experts have many years of experience in the Commercial Real Estate business and they will work with you to get the desired result with little effort on your part.

We can work with you on any commercial property from apartment buildings to shopping malls and we can assist you in any area in California. We even have agencies in other states if you desire to branch out, so that whatever you are looking for, we can help you find it and get the deal you want.

We also understand and can help you with 1031 Exchanges and 1035 Exchanges to help you leverage your company funds to get the property you desire. The bottom line for us is service and that is where we put all our effort.
