

**IF YOU HAVE A MORTGAGE, ARE BEHIND
IN MORTGAGE PAYMENTS,
ARE IN FORECLOSURE,
OR LOST A HOME TO FORECLOSURE
IN THE PAST 10 YEARS,**

THERE IS GOOD NEWS!

FIRST DIRECT OPTIONS has programs that are administered by government agencies and directed by federal law.

One program allows you to put in a claim to a Federal Government Agency that will

trigger an investigation of your mortgage

company. Don't worry, your personal

information will not be disclosed to your mortgage company. This will stop your mortgage company in its tracks and cancel all action against you.

Another program, which was triggered by court actions over the years, allows you to legally cancel your mortgage contract. Even if you have filed to rescind your contract in the past, as a rescission, the mortgage contract is rendered null and void.
