# THE "RAP" SHEET

RAP stands for Rehabilitating American Pride, which was created to help needy people by working together.

APRIL 2018

### Special points of interest:

- We believe everyone is entitled to own property without hassles or worries of losing it
- We will do all we can to help individuals and families
- We will do all we can to help businesses
- And, we will do all we can to help those who are less fortunate

“The sun was warm but the wind was chill,  
 You know how it is with an April day.  
 When the sun is out and wind is still,  
 You’re one month on in the middle of May.  
 But if you so much as dare to speak,  
 A cloud comes over the sunlit arch.  
 And wind comes off a frozen peak,  
 And you’re two months back in the middle of march.”

Robert Frost,  
 Two Tramps in Mud Time, 1926

As per the old adage,

**April Showers  
Bring May Flowers**

**Okay, but what did May Flower bring?**

**The Pilgrims!**

**WHAT WOULD YOU DO WITH EXCELLENT CREDIT?**

TAKE THE FAMILY ON VACATION?

Get APPROVED for a NEW CAR?

BUY A HOME?

We are a society that uses credit. The reason is simple, we can budget a monthly payment a lot easier than paying a large cost for something like a car or furniture.

This is very good because we can have nice things today and pay for them over time—that is the American way!

The problem comes in when some event, like the Economic Recession of 2008, that reduces our monthly income and makes it difficult to make the payments on our accounts.

We understand this and we have a solution. **FD Options (FDO)** has an affiliate of our company that specializes in **Credit Repair**. They have been able to help people raise their credit score in a very reasonable time frame who they could qualify for one of our other programs.

The small cost is well worth it when your credit score is raised to the low to mid 700's, giving you the buying power you deserve. The fact that FDO is just a phone call away is another plus.

**Testimonials:**

**Carla J, Riverside:** I can't believe it, in just three weeks they got my 485 credit score up to 740. Because of that, I was able to buy my house. Thank you Consumer Advocate Research Team.

**Jose M, Moreno Valley:** You saved my financial life, FD Options. Your people raised my credit score so fast that I can't believe.
