

What happened in April...

April has come and gone. It was a short month with only 14 days, lets hope the cold and snow has left with it too. It was great to have our students and staff return from spring break refreshed and ready to take on the last couple months of school (aka crunch time). Besides working hard to complete modules, our students had an opportunity to participate in a very important presentation from the Siksika Community Wellness team on Opioids. The presentation provided our students with valuable information on the dangers of using opioids and how to recognize when someone may be at risk of an overdose. As part of the training each student learned how to administer Naloxone, a drug that can temporarily reverse the effects of opioids and potentially save someone from an overdose. **EACH STUDENTS WAS GIVEN A NALOXONE KIT TO TAKE HOME.** If your child is under 18 years old, a parent/guardian will need to contact the school and make arrangements to have the Kit picked up.

We can be reached at 403-734-3418.

Thank you for your understanding.

April 26 our graduates hosted their final bingo of the school year. Thank you to those who came out to support our graduates at this bingo and those who supported them throughout the school year.

Siksika Outreach School students and staff showed our support for the Humboldt Broncos on April 12 by participating in the nation wide jersey day.

Happy Mothers Day

to ALL the MOTHERS out there whether you are a Past, Present or Soon To be Moms. May your day be filled with love, joy and laughter..

SIKSIKA

This month was a very short one for Siksika Class due to some events that were unpredictable also with Spring Break. We had a good turnout for our Siksika evening Class which brought parents, teachers and students to enjoy a very good meal supplied by Kariann Bastien and some good laughs. Alvine Wolfleg presented and along with her talk she shared stories for the group which was both interesting and fun. We had 13 in attendance which ended off with some questions and explanations of prayer. We will be having more classes and the dates are as follows:

May 7 (Monday) @5:00 pm – 6 pm

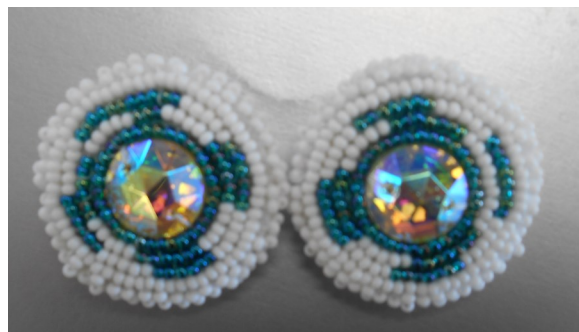

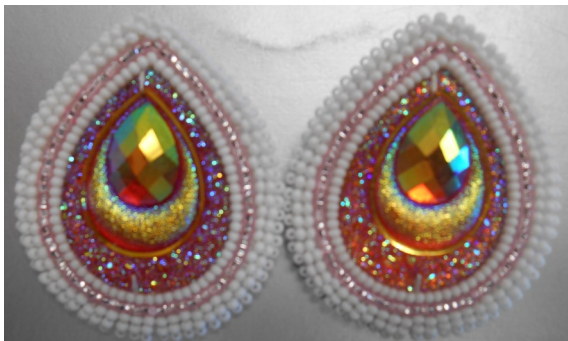

May 15 (Tuesday) @ 5:00 pm -6 pm

June sessions will be added when confirmed.

A big thank you to Tannis Broad Scalplock, Lindsay Nelson, Pearl Healy and Kendra Rabbit Carrier for being a part of the evening. To my student helpers Savannah Little Light, Taylor Red Gun and Katelyn Wildcat for their dedication to this project and always showing their interest and looking forward to their night of Siksika Class. To Vivian Little Light, Genna Little Light, Taze, Lateycia and Linda Three Suns for your interest. Saving the best for the last I would like to thank Alvine Wolfleg for supporting and prayers for our school.

Insmaykiisom: Seed Month

April flew by in a blink of an eye and here we are in the month of May. Let's hope that the snow days are done. Congratulations to our students for passing their diploma exams, great job! The next diploma exams begin in 43 days and there are only 36 school days left of the school year.

Our parents are continuously working hard to finish their assignments and the little ones are growing up so quickly. It's a pleasure to observe the babies reaching their developmental milestones and showing their unique characters.

A huge thank you to the community and people who attended and supported the graduation bingo fundraisers. With gracious hearts we send a thank you to the following people and organizations for their support and donations to the school.

Cobbs Bakery (Bread & Goodies) *Ina Maguire* (Bingo donation)

Roger Nelson (Pick up & Delivery) *Jamie Axe* (Bingo donation)

Felicia Jerry (Bingo Donation) *Laurie Sommerville* (Little Moccasins DVD)

Our parents have completed the Traditional Parenting Program facilitated by Laura and Gerald Sitting Eagle. We are honored to have listened and learned from your life experiences, knowledge and wisdom. Thank you for passing on and sharing the traditional teachings of our people. Our students felt inspired and empowered as parents and for that...Nitsiniiyi'taki.

Congratulations to our April readers:
