

It's the most wonderful time of the year!

Well, here we are, entering the last month of the year. A month of excitement, family fun, snow and a season of giving. Also, it's a time to reflect on the past year and be thankful for all that we have.

Our student's are also working very hard and using up every minute of their time to complete their assignments. The staff here at Siksika Outreach School are very proud of each and everyone of our students.

It is that time of the year when we start the festive season with humbleness and good tidings to all. We at Siksika Outreach School

Are asking for donations from Staff and Students for our Christmas Hamper to help out a special family.

PLEASE BRING YOUR DONATIONS

STARTING DECEMBER 1, 2018

Barb Blakemore- The donation of clothes for our YPP Program

Calgary Pregnancy Centre- Huge donation of baby items and clothing for our students

Tannis Broad Scalplock- Jackets and snowpants

Skylar and Sage Running Rabbit- Remembrance Day Activity

Roger Nelson- Volunteering his time picking up and dropping off donations for the school

Knights of Columbus- Donating coats for kids

SIKSIKA CLASS

Oki,

The Siksika Class have been working diligently on their projects. The beaded orange shirts turned out beautiful. The students are working on a bigger project which includes beaded medallions and pop sockets. We have also had Elizabeth Scout come in to talk with the students which they enjoyed. I am hoping to have more elders come in to visit with the students. The knowledge and wisdom shared by our Siksika Elders is Siksika learning in all aspects. Topics are chosen in regards to what we experience in day to day living. Encouragement and proper protocol teachings will and has been useful to all the students. When the weather gets warmer, I am hoping to do a field trip either to Glenbow Museum or BCHP.

Looking forward to the future projects to be complete so I can include them into the newsletter.
