## MONSTOYII

Happy New Year!

We hope everyone had a fantastic time spent with family and friends near and far. It's been quite the holiday's, a refresher for all around.

2019, is also a New Year, with new beginnings, new goals and resolutions. We look forward to working with our students in meeting their educational goals and resolution's, whether it be talking aloud in front of their peers, to helping more with the school or volunteering their hours out there in the community, attendance or more module completion. We are here to help!

This month, our grade 12 students are also prepping for their diploma exams; that much closer to our June Graduation, YAY!

**It's very important to those that are writing these exams to be in attendance.**

Best of luck to all our students writing their diploma exams!

Please see the posted dates below:

**JAN 28– BIOLOGY @ 9AM**

**JAN 29– CHEMISTRY @ 9am**

**JAN 30– PHYSICS/SCIENCE @ 9AM**

# PRESCHOOL CHRISTMAS SHOP

On December 5th and 6th, our SOS students and staff held our annual preschool Christmas shop for the preschool aged children of Siksika. We had little visitors from COSS, CCS, Head start and the community. It was such a delight having the children here, partaking in the shop and for our elves for helping the children with the gifts and helping with the Santa pics.

# CHRISTMAS SCHOOL FEAST

Siksika Outreach School is proud to have hosted our students and their families for another successful Christmas feast. There were prizes given out to all who participated in the Ugly Christmas sweater contest, as well as the door prizes and everyone seemed to enjoy each others company. The turn out was awesome.

Thank-you to everyone that showed up for the festivities.

# TANNIS' MONTHLY UPDATE

Hello Everyone,

Hope you all had a Merry Christmas. I'd like to wish each and every one of you a Happy New Year. It was really great to spend some time at the Outreach School before Christmas Break. It was awesome to see many familiar faces and lots of new ones too. Being at the school for a few days reminded me of why I'm at University (so that one day I can come back to help make a difference in the lives of our Siksika Youth). Speaking of University, I am happy to say I survived my first Semester! It wasn't easy, but no one said it would be. One thing I learned this semester is don't take 5 classes! So, this semester I decided to take four.

To all the grade 12's good luck on your diploma exams and start looking into post-secondary.

- SIKSIKA TREASURY– Pre-School Christmas Shop
- BANNOCK TEA AND GRILL—Catering the dinner
- OLYMEL FOODS-Food
- MR. JOE LONG– Food
