

APRIL

MATSIYIKAPISAIKISOM—FROG MONTH

Wow! Can you believe that April is here. Easter Break is just around the corner; rain shower's will bring May Flower's, mosquito's will be lurking, and it's already gopher galore out there....okay, now we're just getting off track! So with that being said, let's focus on: Module work and completion, attendance, Mathletics, Novel studies, Diploma Prep and Exams, and support our Student's in all avenue's of SUCCESS! We can do it !

We are always so happy and proud of each and every individual that walks through our doors. Keep up the great work!! (two thumbs up)

We are so proud of you

Thank you

Matsiyikapisaikisom: Frog Month

April showers bring May flowers! Wow, time flies when you are busy and having fun. Our students have been diligently working on their modules and completing their novel studies. Congratulations to our April diploma writers this month. They have taken the initiative to work extra hard to complete their course work ahead of schedule. We have students who have applied to various post-secondary institutions and some who have received their acceptance letter. Way to go! We look forward to many more opportunities and learning experiences that our school can offer for our students. We have the "Preparing our Home" training coming up this month. This is a four day workshop that works on traditional approaches to being prepared in emergency or disaster situations. Thank you to the community and family members of our students for your continuous support.

CINDERELLA DRESS PROJECT

Our Grad's and chaperone's attended the annual trip to Calgary for the Cinderella Dress Project. Each girl was gifted with a dress, shoes and accessories to complement their look.

We look forward to this annual trip every year. Thank you Loreli Calf Robe for coordinating this event and getting our ladies there and back.

We can't wait to see your looks at the grad :)

SEEDS CONNECTION

We had six student from the Outreach School join in on the SEEDS leadership connection group at Camp Kiwanis. They were building rapport with other students in different school divisions and were taught leadership, confidence and how to positively engage with other students.

Kudos to our participants, Zanty Medicine Traveller, Savannah Little Light, Chris-Ann Stimson, Raven Good Eagle, Hilary Sitting Eagle and chaperone, Teacher Lindsey Nelson and Denise Peterson.

Siksika Class

The students have been learning the basic words that they could use daily. The prayer has been placed as a priority to learn by heart. I was very proud of some of our students when the students were asked to say the Siksika Prayer along with the students from two other Siksika schools our students recited the prayer with pride.

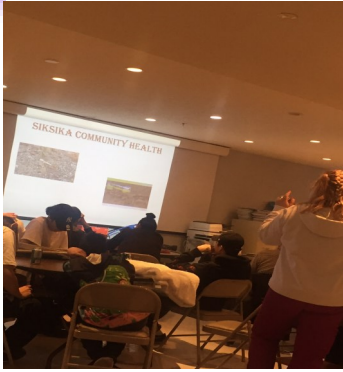

Students are working on projects which were seen by the Elders that our school invites in as resource and they were amazed.

A Siksika Language booklet has been compiled for the students and if requested it is available. Contact myself if you would like a copy.

Again please feel free to forward your comments to me at 403-734-3418. (Colleen Sitting Eagle)

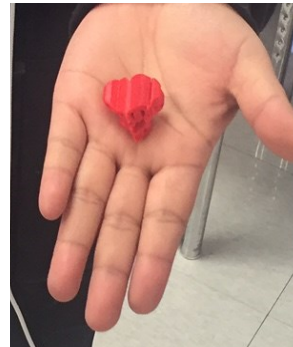

Health Presentation

Thank you to the Siksika Health Services Nurses and CHR, Tessa Jones, Kim Low Horn and Deedee Black Horse for coming to the school to present on safe disposal and handling of needles and what to do or who to call if they come across the item.
