EVALUATION CHECKLIST

- Your completed Handler's Questionnaire Form for team evaluator review.
- Proof of current rabies vaccination, such as a certificate or vaccination records from the veterinarian.
- A towel, small blanket or basket, if the animal will be carried.
- An acceptable collar or harness and an acceptable leash. Use the Leash or harness that your animal will wear during visits.
- Course Completion Certificate for either the in-person Handler's Workshop or the Online Handler's Course for new teams; a previous Pet Partners badge for renewing teams.
- A brush or comb that the animal is accustomed to, and that is Pet Partners appropriate to take on a visit.
- Treats to use for one specific evaluation exercise. Note: Food rewards may not otherwise be given during the evaluation. Lots of affection and praise are encouraged during short breaks between exercises.
- If you are between the ages of 10 and 16: A parent or guardian must accompany you at the evaluation.
- If you are requesting modifications to evaluation exercises or permission to use equipment not listed as acceptable, a Letter of Accommodation provided to you by Pet Partners.

If you are missing materials your evaluator may not be able to evaluate you that day. Remember that the evaluation is like a simulated visit.
