

What Happens When I'm Gone

Tuesday, June 19th, 2018

6:00 PM to 8:00 PM

Rustin Conference Center

2085 Rustin Ave.

Riverside, CA 92507

Lynne Brockmeier

Administrative Services Manager

Lynne has served the Riverside County community with the needs of those living on the streets for 20 years in the Behavioral Health system, and as an administrator and volunteer for woman and children's programs with local faith based groups for 30 years. In addition, she has presented nationally on homelessness and housing. Lynne and her team were recognized in the United States for Riverside to be the first large county to reach "Functional Zero" Homeless Veterans.

Topics of discussion will include applying for difficult disability in difficult cases, preparing a comprehensive support system, and learning how to influence the care of your loved ones after we are gone. Please come prepared with written questions to take part in our lively question and answer segment.

Presented by MHSa Family Advocate Program
