Canopy Mount

C1M = Ø60mm x 6.35mm canopy retrofit to existing standard J-box using custom mounting plate (included).

C3 = Ø117mm x 6.35mm canopy

C4 = 117mm x 6.35mm canopy

W1M = Ø60mm x 6.35mm canopy with retrofit mounting plate

W3 = Ø117mm x 6.35mm c canopy

Rail Systems

CS = Cable System

DC = Dual Circuit Rail

HD = Horizontal Double Rail

SR = Single Rail

SF = Single Rail Flush Wall

3CT = 3 Circuit Track (120V)

INFORMATION

ORDERING GUIDE

IMPORTANT! When ordering, please use the full product codes from MP Lighting catalogues and spec sheets to select appropriate fixture options and system components. These can be downloaded from our website at www.mplighting.com. Some of the codes in this price list are often abbreviated due to the many different options available on various fixtures and components.

All prices shown in this book are suggested retail.

LED Notes

LED fixtures with integral drivers come with the appropriate driver. Remote drivers are sold separately for those fixtures that require one.

Low-Voltage Notes

Shades and accessories are not included in the low-voltage fixture price unless stated.

Shades are included with low-voltage pendants.

C3 & C4 ceiling mount and wall sconces come with integral 120V/60W electronic transformers. 277V/75W electronic transformers are available if specified for an additional retail price of €32 each.

All low-voltage pendants come with 72" coaxial cable. 20' field-adjustable option is available for €52.

Lamps are not included with low-voltage fixtures or pendants.

Hardware prices are the same for both MC (matte chrome) and BN (brushed nickel) finishes, unless stated otherwise. DC (dual circuit) hardware is only available in MC (matte chrome) finish.

Rigid stem, add €14 (non-power) or €18 (power) per additional or partial ft.

Finishing Options (not all options are available for every product)

ABR = antique brass

ABZ = antique bronze

BA = black anodized

BK = black (please contact factory for pricing)

BN = brushed nickel

BZ = bronze

MA/M = matte clear anodized

MC = matte chrome

MP = matte pewter

PBR = polished brass

PS6 = polished stainless steel 316

S6 = stainless steel 316

S = silver (aluminum parts are matte clear anodized, plastic parts are grey)

W = white

WI = wrought iron

ZP = zinc plated

Mounting Options (not all options are available for every product, see individual product spec sheets for details)

C1M = Ø60mm x 6.35mm canopy with retrofit mounting plate

C3 = Ø117mm x 6.35mm canopy

C4 = 117mm x 6.35mm canopy

C7 = Ø161mm x 60mm canopy

C9 = Ø160mm x 60mm canopy

CS = cable system

DC = dual circuit

HD = horizontal double rail

SR = single rail

SF = single rail flush wall mount

W1M = Ø60mm" x 6.35mm" canopy with retrofit mounting plate

W3 = Ø117mm x 6.35mm canopy

3CT = 3-circuit track (120V - North America, 240V Europe)

Replacement Components

Replacement parts and glass shades are available. Please consult factory for pricing and corresponding part numbers. Please see freight notes on following page.

TERMS & CONDITIONS

Quote Assistance

MP Lighting does not guarantee the availability of any item listed and reserves the right to discontinue or change the technical or design specifications of its products at any time without notice. To ensure accuracy and to expedite your order, please order by part number. Quote requests may be faxed to 604-708-1185 or emailed to quotes@mplighting.com but will not be issued over the phone. If you do not see what you're looking for, please inquire. Our representatives and in-house design team can assist you with your specifications. Allow longer lead time for custom quoted items.

Quotes are valid for 3 months from date of issue.

Pricing

All prices are retail prices and do not include shipping, handling, taxes, or installation. Prices are subject to change without notice and we reserve the right to correct errors. Please contact MP Lighting for details. Merchandise supplied against a properly accepted quotation from MP Lighting will be shipped at the quoted price. All other merchandise will be charged at the price ruling on the date of dispatch. In the event of discrepancy between the prices on a customer's purchase order and the invoiced price, MP Lighting's price ruling at the date of dispatch will be deemed correct. Claims arising from MP Lighting's invoices must be advised in writing within 10 days following receipts, otherwise the invoice will be deemed correct. Late claims will not be accepted.

Minimum Order Charge

The minimum order is €100.00 net. A Service Charge of €25.00 will be added to all original customer orders less than €100.00 net.

Freight

F.O.B. MP Lighting Factory. Prepaid and charge shipping costs are Freight Company's quoted estimates PLUS 15% administration fee to cover any shipping charge overruns, brokerage, customs charges and handling fees. This is non-negotiable and non-refundable. To avoid this fee, customers may provide their own courier or freight account number and will be responsible for additional charges from US customs. Shipping raw materials or replacement parts outside Canada may incur duty charges and/or taxes. Duty charges are calculated as €25.00 (fixed) plus 12% of the value of parts purchased. Shipments must be inspected on receipt. Any discrepancies must be advised to MP Lighting in writing within 5 days of receipt. Late claims will not be accepted.

Payment Terms

Net 30 days with prior approved credit otherwise a 50% deposit with order and the balance in full prior to shipping. A service charge of 2% per month, compounded monthly, will be added to all past due amounts, except where prohibited by law. For credit applications, contact Accounts Receivable.

Return Policy

Return requests must be made within 60 days of the receipt of goods and require an RGA (Return Goods Authorization) number. Returns without an RGA will be refused and returned at your expense. MP Lighting will only accept the return of uninstalled products that are in saleable condition and are free of damages, scratches, and alterations. RGA numbers can be obtained by fax request at 604-708-1185 Attention: Customer Service, or by email request at rga@mplighting.com.

All returns are subject to a minimum 25% restocking fee for low and line voltage products and all drivers and a 50% restocking fee for all LED fixtures. We will not accept returns on custom orders* or purchase overruns. Goods must be returned prepaid with RGA number clearly marked on returning packages. RGA's are valid for 30 days from issue date to the time products are received at our factory. Expired RGA's will be refused and returned at your expense. Credit will be issued at the sole discretion of MP Lighting. No credit will be issued on defective products due to improper installation or misuse.

*Custom Orders are defined as any product or products which are not included in our literature or are defined as 'X' in our literature. Custom orders may include, but are not limited to, irregular track lengths and off-site work, such as metal fabrications or custom colors. A 50% non-refundable deposit is required for all custom orders. Custom orders cannot be cancelled after Release of Order. Custom materials cannot be returned except for defects proven to be the manufacturer's responsibility.

Cancellations

Cancellation of orders must be made by fax or email without delay and may be subject to restocking, service and other fees. All orders that are in progress or completed, and are cancelled by the customer will be subject to a minimum 25% restocking fee for low voltage products and all drivers and a 50% restocking fee for all LED fixtures

Installation Disclaimer

MP Lighting assumes no responsibility for the installation of their products. Installation of these products should only be made by licensed personnel in accordance with provided instructions. The use of these products should meet all regulatory codes and requirements.

Approval

MP Lighting systems are approved to US(UL), Canadian standards(CSA) and European standards(CE).

INFORMATION

One Year Limited Warranty – Low Voltage Systems

Five Years Limited Warranty – LED Products and Drivers

*Note: Lamps are not covered by warranty

MP DESIGN INC. (hereinafter referred to as “MP Lighting”) gives the following warranty for each new MP Lighting product distributed in Canada and the United States by MP Lighting and sold through an authorized MP Lighting Distributor. MP Lighting warrants that all products manufactured by MP Lighting to be free from defects in materials and workmanship under normal use subject to the following terms and conditions:

Conditions

1. *Parts & Labor:* One (1) year from date of original purchase from distributor for low voltage systems. Five (5) years from date of original purchase from distributor for LED products.
2. *Limitation:* MP Lighting systems are approved to CSA & UL standards when used as a complete system. Substituting another manufacture’s product will void all approvals and will remove MP Lighting from any liability. Malfunction and damage to product due to improper installation or misuse will not be covered under warranty.
3. *Receipt of Goods:* All products are 100% end of the line tested and inspected before shipping to customers. It is the responsibility of the consignee receiving the goods to inspect the goods to ensure accuracy of order and to check for any damages that could have occurred from shipping. Claims for missing parts must be made within five (5) business days from receipt of goods. Claims for missing parts after five (5) days will not be accepted. Damaged to product due to shipping should be claimed immediately with freight carrier. MP Lighting is not responsible for product damaged in transit by freight carrier.
4. *Proof of Purchase:* This warranty applies to the product from original date of purchase from distributor. The customer must furnish proof of original invoice, packing slip or payment.
5. *Disclaimer or Consequential Damage:* This warranty covers only the product itself; we assume no liability for labor costs, installation costs, improper fixture selections or other losses.

Product returned for Warranty inspection must be given an RGA (Return Goods Authorization) from MP Lighting. Products must be returned freight prepaid with the RGA number clearly marked on the outside of the box. Upon confirmation of a defect or failure, at our discretion, we will repair or replace the item. If product is deemed to be in good working condition or if any of the above mentioned conditions are not met, the product will be returned and no warranty will be given. RGA numbers may be obtained by fax request at 604-708-1185 Attention: Customer Service, or by email request at rga@mplighting.com.
