EAST GREENVILLE RESIDENTS TAX BILL ERROR-MILLAGE RATE

Dear East Greenville Residents,

I would like to inform you the "Millage Rate" is not correct on your tax bill. The rate is correct, but the calculation is not. I have a call, into county, for them to send me the correct tax file.

Once I receive the file, I will mail out new tax bills. The new bills will be in a different color, so you can distinguish between the old bill and the new bill.

I also have been receiving calls about the tax bills going to mortgage companies. I only send bills out to mortgage companies if I receive a request from them.

It is the residents' responsibility to forward their tax bills to their individual mortgage companies. I do not have a list of mortgage companies for each resident.

*** Please forward your tax bill to your mortgage company.***

Again, I apologize for any inconvenience this has caused. I am diligently working, with the county, to resolve this issue promptly.

Sincerely,

Diane Criddle, Tax Collector
Borough of East Greenville
