Dear Workshop Participants,

Announcement: Community Solutions Championship Awards

Alphacee Digital Literacy and Script-Writing Training Workshop,

Saturday, December 15, 2018

@ Ola Oni Center Hall, Opposite Areqbe House, Osogbo, Osun State

I write on behalf of the ALPHACEE / ADS Team to congratulate you on your completion of the Registration Form and expression of interest to participate actively in the Training Workshop as scheduled. Hence, we have barely a week to this very important life changing event, and we decided to add more values to enrich your participation for a more rewarding experience afterwards.

Arising from that notion, we invite you to demonstrate your capability to become one of the recipients of our Championship Awards after the event by inviting 10 people from your contacts to register and participate in this Training Workshop with the idea that you all become a team to work with ADS at all levels – local, state, national and global, for a shared positive progress in our society and prosperity for our people.

Please, read more updates regularly on our site and use this link (<https://crts.bz/osun>) for the invitation and registration of all interested persons. Send details of those you have successfully invited to this mail: ope.alphacee@gmail.com before Thursday, 13/12/2018 to confirm your AWARD.

Thank you for your interest once again and we promise you an exciting experience.

Best wishes!
