

HI-LINE GIFT LTD.

HOME & GARDEN SPECIALIST 2017

ABOUT US

HI-LINE Gift Ltd is one of the leading Home and Garden Decor distributors in Canada. Since the privately owned company founded by husband and wife team Robert & Sophia Cheng opened its doors in 1991, Hi-Line has quickly established itself as a key partner to many of the large home and garden retailers across Canada and the United States.

Searching for a wholesaler who can supply your store/business with innovative, fun, and uniquely designed décor? Look no further! We carry home and garden décor that you and your customers will love! From the unusual to the classic we specialize in Home and Garden statues, Fountains, and Lit décor. Browse through these pages to discover some of the lovely products we have to offer.

Our quality products are stocked by retailers of all sizes, from independent gift stores to some of the biggest and most respected retailers worldwide. All our lines are designed to make people smile and are built to last. Above all, they are designed to sell, providing you with a strong retail margin. Our reliable and experienced Canadian fulfillment center has the ability to distribute products quickly and efficiently. With 80+ thousand square feet of warehousing, our facility offers express quality service as well as an extensive and reliable inventory.

Our goal is to be the most recognized Home & Garden decor brand in Canada and the USA by creating and offering unique, memorable and extravagant product selection.

HI-LINE EXCLUSIVE ITEMS

Look out for all the HI-LINE EXCLUSIVE items, you will not find them anywhere else.

With a growing creative team you are guaranteed to get a wide variety of exclusive designs that distinguishes HI-LINE items as the leading home and garden decor.

A raw sketch of the design concept is created for our sculptors to start with.

The factory molds the clay sculpture for approval of final cast and color scheme.

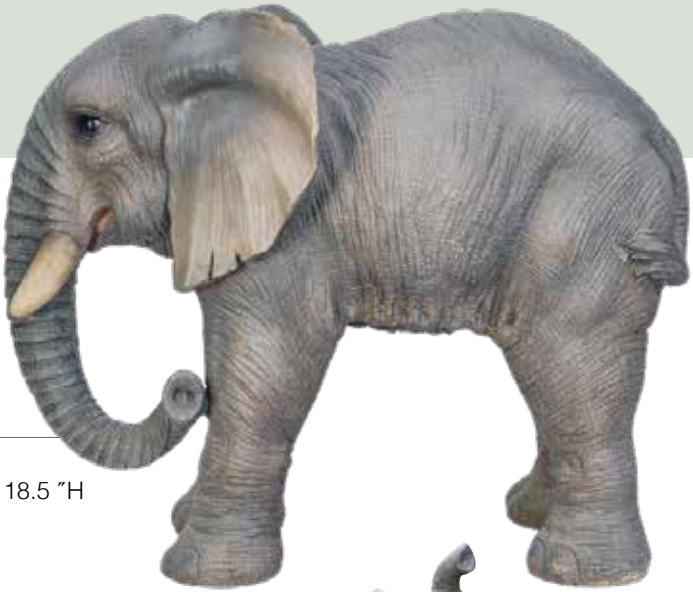

After the approval, the product is hand painted with fine details and finished to our highest standards.

STATUES

FAIRY GARDEN MINIATURES

Fairy Gardening is a growing market. It dates back in North America to the World's Fair with the introduction of bonsai gardening. Now it has taken on a life of its own. Some like it for the cute factor while others are more interested in creating a home for a fairy. A home that might entice her to take up residence and in turn she will grant them some wishes!
