Mt. Juliet Senior Activity Center
Policies and Procedures

The mission of the Mount Juliet Senior Activity Center (MJSAC) is to provide a place for older adults (55+) to gather for a range of services, activities and volunteer opportunities which promote personal growth, friendship, health and independence.

It is our pleasure to welcome you to MJSAC and the wide array of programs, activities and opportunities that our senior center provides. The Center currently offers over 80 programs in Arts & Crafts, Drama & Music, Recreation, Education, Socials, Wellness Programs and Special Events.

Each senior center has its own personality but all have one thing in common: a commitment to offer activities and events that are appealing to participants. All activities are built around the needs and wishes of our participants. If there is something in which you are interested and it is not offered, please let a staff member know and if there is a way we can make it happen, we will do our best to accommodate your request.

We want you to have a positive and enjoyable experience, which is one reason for the publication and distribution of this booklet. We would like for everyone to understand their responsibilities and the expectations associated with participation in senior center activities. If you have questions about an item contained in this booklet, please ask for clarification.

We rely on your experience to help create a vibrant atmosphere and your participation to enhance the quality of life for everyone in the Wilson County area.

Welcome!

In addition, the following examples may constitute or contribute to evidence of bullying:

- Persistent singling out of one person.
- Shouting or raising voice at an individual in public or in private.
- Using verbal or obscene gestures.
- Not allowing the person to speak or express himself or herself (i.e., ignoring or interrupting).
- Personal insults and use of offensive nicknames.
- Public humiliation in any form.
- Constant criticism on matters unrelated or minimally related to the person.
- Ignoring or interrupting an individual at gatherings.
- Spreading rumors and gossip regarding individuals.
- Deliberately excluding an individual or isolating him or her from Center-related activities.
- Unwanted physical contact, physical abuse or threats of abuse to an individual or an individual’s property.

Inclement Weather Policy
MJSAC utilizes the Wilson County Public Schools Inclement Weather Policy to determine its weather policy. The Center will be closed if the Wilson County Public Schools are closed due to inclement weather; all meals, activities, classes and trips will be cancelled. If schools delay opening or close early due to inclement weather, the Center will open or close accordingly. If a Center class, activity or trip is cancelled due to weather or other circumstance, every effort will be made to reschedule and give participants ample notice. If the class, activity or trip cannot be rescheduled, a refund of fees will be made.

Seniors have the opportunity to enjoy a nutritious meal in the company of others in a community setting. Meals are planned and prepared to meet one-third of the Recommended Dietary Allowance for older adults. Monthly menus are available at the front desk on the first day of the month. Please see the Center's Meals on Wheels Coordinator to learn how to sign up for this program.

Participants must:
1. Obey all instructions issued by Senior Center authorized staff, to evacuate the building or to shelter in-place.
2. Report to the designated meeting location during an evacuation to assure all participants have safely exited the building. Please do not leave the premises without notifying a staff person.
3. Remain in the room, or move to and remain in a designated location during a shelter in place situation, until a staff person or other authorized representative (i.e. Police Officer or Fire Fighter) gives an "all clear" announcement.
4. Be familiar with the location of posted information to identify the nearest exit and instructions to shelter in-place.
5. Assist other participants to obey instructions safely if able to do so without risk to yourself.
6. Report suspicious or unsafe situations to a staff person immediately.

Guidelines for Grievance Process

By registering for and participating in the MJSAC classes, programs, activities and special events, an individual agrees to abide by the guidelines set forth in the membership application and this document.

In summary, if a participant abuses or violates the guidelines and agreement of participation, the participant may lose the privilege of membership and permanently be denied service. Notification will be provided in writing.

Service and participation will be discontinued immediately if the participant is engaged in illegal activity or presents a danger to self or others.

The MJSAC reserves the right to notify appropriate agencies for immediate intervention.

Grievance Process:

MJSAC wants all senior participants to have an appropriate outlet for voicing concerns. Below are the steps you will need to take to express any concern/issue you may have with the daily operations of the Center.

Step 1: Any member who wishes to communicate an issue, concern, problem or encouragement should fill out the MEMBERSHIP COMMUNICATION FORM. Be sure to:
   1. Describe the issue as clearly as possible.
   2. List suggestions for possible solutions.
   3. State whether you are willing to help solve the issue.
   4. Give your form to the Membership Advisory Council Liaison or the Executive Director.

If there is no contact information or if the grievance form is unsigned, it will not be addressed. We will do our best to address your concerns promptly and fairly. We appreciate positive feedback as well.

Step 2: The Membership Advisory Council Liaison will review the concern with the senior participant. If they are unable to resolve the issue/concern, it will be turned over to the Grievance Committee, which is made up of three (3) board members.

Step 3: The Grievance Committee will have five (5) business days to review the written issue/concern. The Grievance Committee will schedule a meeting with the senior participant voicing concern to discuss the issue. Every effort will be made to resolve the issue through respectful, courteous conversation.
Step 4: The Center Director will issue a final written outcome for documentation purposes and verbally notify the senior participant who wrote the grievance regarding the final outcome.

NOTE: The Center shall be at all times under the direction, control and supervision of the Executive Director, or other designated staff person should the Executive Director not be present. The Director’s judgment in interpretation of these rules and regulations shall be considered final.
