

DR. GEOFFREY OSTRANDER

Dr. Geoffrey Ostrander grew up in Rushville and graduated from Marcus Whitman in 2003. He attended SUNY Cobleskill and then Siena College where he majored in biology, earning his B.S. in 2006. He attended SUNY Upstate Medical College in Syracuse where he earned his M.D. in 2011. He then completed his Family Medicine Residency with an area of concentration in rural medicine at Lancaster General Hospital in Lancaster, PA in 2014. Before returning to his hometown to practice, Dr. Ostrander moved to New Zealand where he worked in a rural and under served general practice for six months in a small North Island Community.

Dr. Ostrander enjoys traveling, hiking, camping, cycling and finding adventures both near and abroad.
