

# INSPIRING HEALTH 5K

+ 1 MILE WALK

SEPT. 30, 2017

Dear Friend,

Lee Health's Shipley Cardiothoracic Center and the Healthy Life Center cordially invite you to take part in the second annual Inspiring Health 5K, Saturday, Sept. 30 at the Coconut Point mall.

Your sponsorship will help both Shipley Cardiothoracic Center and the Healthy Life Center provide community health and wellness programs, including early disease detection, chronic disease management, healthy lifestyle education, diagnosis and treatment of cardiothoracic diseases, and more.

Heart disease and stroke alone claimed 15 million lives in 2015, and 44% of all Lee County deaths in recent years are attributed to heart disease, lung cancer, chronic lower respiratory disease and stroke. There is a great need to provide our community with the tools to prevent and treat these and other maladies.

More than just a 5K - the event also includes a 1-mile fun walk for all ages and fitness levels - the day gives you, as an essential member of our community, the opportunity to showcase your business and services to a key demographic as passionate about the health and wellness of our community as you are.

The fun begins at 8 a.m., Saturday, Sept. 30, 2017 at the Health Life Center, located at 23106 Fashion Drive, Estero, FL 33928. Check-in begins at 7 a.m.

Sponsorship opportunities for businesses, organizations and individuals are included on the attached form, which can be submitted by mail, fax or email.

Should you need any additional information or have questions, please contact me at Jason. Powella@LeeHealth.org or 239-343-6065.

Thank you in advance for your consideration of this request.

Sincerely,

Jason Powella  
Lee Health Foundation
