

The Rosa International Middle School Music Department presents

Small-Group Ensemble Night

An Evening of Chamber Music

Tuesday, March 6, 2019

7 p.m. – Rosa Gymnasium

You have been invited to participate in the Rosa Small-Group Ensemble Night – an evening filled with music performed chamber style (small groups – solos, duets, trios). Being able to perform in smaller groups and in a smaller setting develops musical independence and confidence. This will be a wonderful night showcasing the diverse talents of our young Rosa musicians.

Family and friends are welcome! We are asking for donations of refreshments so we can have a reception following the performance. You can indicate your refreshment choice and how many people will be attending by going onto the music program website at: www.rosamusicprogram.com or going directly to <https://tinyurl.com/rosaschambertainight>

Please indicate below whether or not your child will be able to participate and return the bottom half by the date indicated. This is going to be a great night. We look forward to seeing you all!
