AUDITION REQUIREMENTS consist of Scales, Solo and Sight Reading

Visit the state website at www.NJMEA.org for detailed information on scales and solo lists.

1. Scales - are to be memorized; four clicks of a metronome will be given for each scale, which is the specific required tempo. Students will be asked to play three scales, one of each type from the required list.
2. Solo - Solo requirements now list a specific publisher. Cadenzas are not required. All students will be asked to play the same section(s) of the solo piece. If a student chooses to use another publisher/edition, the student will not be excluded from the audition, but will be judged on notes and rhythms of the required edition.
3. Sight-reading – Sight-reading will be on material not previously reviewed by the student. All students will be asked to play the same section(s) of the sight-reading material.

Only original sheet music of the solos is permitted in the audition rooms and *students must use their own original*. If using a downloaded copy, a tag line must be present listing the vendor's name. A room copy will be on a music stand in the audition room but this is for moderator reference only. Student **must** use their own music. One will not be provided in the audition room.

ATTENDANCE POLICY:

All-State Intermediate Orchestra members are expected to attend all rehearsals and the concert; however, up to one half of one rehearsal can be missed (up to 2.5 hours) with permission from the manager *in advance* of the rehearsal unless that is clearly impossible. **The concert day cannot be missed.** This will be strictly enforced. No other absences will be permitted for any reason. There are no exceptions to this rule.
