

20th Annual Rosa Piano Recital
Monday, March 16, 2020
Rosa Cafeteria
7:00 p.m.

Any Rosa student interested in participating in the Rosa Piano Recital must be sure to SIGN UP ON THE BAND BOARD no later than **Friday, March 6th**. You must know the title and composer of the selection you wish to perform at the recital and be prepared to play for Mrs. Mark the week of March 9th. This is open to any student who plays piano no matter how long you have been taking lessons, or even if you used to play and have stopped but would like to perform a song you know.

Selections should be **no longer than 3 minutes** in length and DO NOT have to be memorized. You must be prepared to play your selection for Mrs. Mark on Monday or Tuesday, March 9th or 10th, at a time that will be scheduled for you. **This is not an audition.** This will ensure that the pieces do not exceed the requested length of time and will give you an opportunity to play on the piano that will be used at the recital.

If you have any questions, please see Mrs. Mark in C-100 as soon as possible.

Come on out and show off your piano skills!

Please return this slip when you play for Mrs. Mark on March 8th or 9th
