

Thanks to community for their generosity

Each year the Hiawassee United Methodist Men (HUMM) put on a wonderful chili dinner and they sell pecans and peanuts to benefit local Towns County missions as well as their missionary in Africa. Under their leadership the congregation pitches in where needed.

We live in a most generous and friendly community, and no one knows that better than the Hiawassee United Methodist Church (HUMC). A big “Thank You” to our community people who really turn out for this special time in November, to eat and fellowship, in turn also helping others in the community.

At their meeting this month, HUMM divided up over six thousand dollars to the following: a tithe to HUMC, Boy Scout Troop #125, T.C. Fire-Recue, Family Connection at T.C. Schools, T.C. Food Pantry, Habitat for Humanity, Scholarship/Achievement Award Program at T.C. Schools, Almost There (jail ministry), and Answer God’s Call (missionary in Africa).

Wayne Buchanan is President of HUMM, Roy Perrin is Vice Pres. and Program Director, and they both invite men to come check out this very active group. They also have a breakfast meeting at the church once a month, on the third Saturday morning, at 9 am.
