

YOU ARE INVITED
to the 2016 EDITION of the
CHS MULTI-CLASS REUNION

Please join the CHS Class of 1966 and the CHS Alumni Association in an event sure to enliven that ever aging person you have become. Yes, folks, we are all getting older, even though we may sometimes feel much like we did years ago when we first eagerly stepped away from Coleman High School into the real world. Come share the changes and events in your life with those whom you will always share a unique bond...

Bluecats from Coleman High School.

Membership in the Alumni Association is optional, but we earnestly request that you do join...whether it's just yearly, or a lifetime membership, we'd most certainly like to have you aboard. We are the entity that underwrites and sustains the Reunion and the Scholarships awarded annually to CHS graduates. While dues money funds our yearly operations, all other contributions and amounts raised in the various fund raisers are dedicated to the Scholarship Fund. Please be generous in your support of this most worthy program.

One last item-anyone from any class may bring items to go in the silent and live auctions.
