

Spend the Rest of Your Summer with the Aberdeen Recreation Complex & Event Centre ... *more than just ICE !*

We have a fresh take on a familiar place; the ARC is now a fully licensed facility! Our café is open for lunch at 11am: daily specials, fresh baking, licensed downstairs lounge. Our re-vamped upstairs tavern (19+) will be unveiled this fall, you won't believe what is taking place up there. A new 3,000+ square foot multi-purpose room is available for banquets, meetings, dances and trade shows! Whatever your need for space is, just call for rental rates and catering options. Our Aberdeen Flames will begin in September with training camp. Knights Senior Hockey is back as well, stay tuned for schedules. Look forward to MORE curling, Youth Leagues, Mixed Doubles in addition to the Aberdeen Curling Club's open league! Get into shape with a gym membership for \$20 per month. **We look forward to seeing you!** Like our Facebook Page to keep notified! @aberdeenrec.

W. WUTZKE MEMORIAL REF ROOM

It's easy to feel the large void Wayne has left in our community. Many are trying to come up with ways to help Wayne's memory live on forever in our community. The

Aberdeen Rec Complex is currently upgrading the change rooms. I am collecting funds to upgrade the Referee Room in memory of Wayne Wutzke. Once completed, a memorial plaque will be installed to commemorate Wayne's dedication to our community and the game he loved. Donations can be dropped off at the town office. Please make cheques payable to the Town of Aberdeen with a note in the Memo line - W. Wutzke Memorial Ref Room - for a deductible tax receipt.

Pilon Family - *Building Projects*

And of course to

Our Community - *Supporting Change*

Our Customers - *Loyalty & Support*

ADCI Board - *Insight & Commitment*

ARC Staff - *Exemplary Customer Focus*

DID YOU KNOW.....

1. The ARC offers public skating **FREE** of charge to its community members.
2. People began ice skating thousands of years ago. The first skates were made of bones, which were strapped to the feet to allow people to cross frozen rivers and lakes. The first ice rink to be made indoors was in London, England, in 1941, when chemicals were used to make the frozen surface. The first frozen water ice rink opened to the public in 1876 in London. Rinks can now also be made using a special type of plastic instead of ice.

5. France was still executing people by guillotine when the first Star Wars movie came out.
6. Banging your head against a wall burns 150 calories per hour.
7. If you lift a kangaroo's tail off the ground, it can not hop. This however does not stop it from punching you.

SPONSORSHIP OPPORTUNITIES

Did you own a business or run an organization that would benefit from high volume visual advertising? Well we have a deal for you!!

FREE 3 YEAR ARENA BOARD ADS

For our local small businesses, we are proud to offer **FREE arena board advertising** in our ice rink!

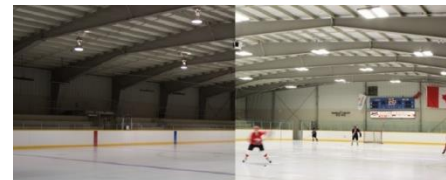

DRESSING ROOM SPONSORSHIP

Ever dream of having your logo or image embedded in rubber flooring, in a venue that sees over 250,000 visitors per year? Us neither, but for \$5000, it would be a reality for a 10-year term! Help us with our dressing room overhaul and you will be a part of our facility, literally as well as in spirit. Charitable Receipts available.

LIGHT THE RINK

Arena LED install occurred June 28 & 29, 2018.

Curling Rink LEDs scheduled for September install!

Thank you **AGT Aberdeen** for your amazing donation of \$2,000 to help us - **LIGHT THE RINK!**

... and **CARGILL** \$20,000 from the Local & Corporate Office!
