

OUT & ABOUT for Friday October 20th-Wimberley

We'll be leaving CVS lower parking lot at 9A. That will put us in "Downtown" Wimberley a little after 10A. We'll explore the unique shopping found only in Wimberley, Texas. "The Wimberley square – known as "Downtown" to those of us who live here – is home to a variety of charming and unique shops! We invite you to spend an afternoon strolling through and taking in the variety of art, crafts, food, decor, clothing and more you can only find while shopping in Wimberley, Texas!"

This will be an out of the ordinary outing. We will be going on a FRIDAY. During the week Trattoria Lisina at the Mandola Vineyard in Driftwood, Texas doesn't open until 4P but Friday they will open at 11A.

We will plan to be at the Trattoria Lisina by about 12:30P for a long leisurely lunch. We'll need to make reservations. If you sign up for this outing, I am counting on you to put it on your calendar and commit. You will be able to sign up at the September and October LVWC luncheons. You may also reserve your spot by contacting Freth Carroll at frethtx@gmail.com or by phone at 512-784-6043.

At Trattoria Lisina, Chef/Owner Damian Mandola uses the finest ingredients to create a seasonal menu of Italian classics. Handmade pasta, house cured meats, sauces simmering for hours, fresh local produce arriving daily and seafood specialties- these are the labors of love that are found in the kitchen of Trattoria Lisina. Our friends are invited to take part in the action at the kitchen bar, a front row seat to our bustling line. Watch as hand stretched pizze are loaded into a wood burning oven, steaks are grilled over an open flame, and pasta is cooked to a perfect al dente. For those who like a little action with their lasagne, this is the best seat in the house.

We'll do a little wine tasting after lunch at the winery while we are there and then it's time to head home before the "rush hour" traffic sets in. Be sure to have your designated driver if you are going to partake.
