## Words from our President

Trisha Upchurch

The 2016-17 year ended with the spectacular celebration of money raised over the past year. Over \$36,000 was awarded to scholarships and community grants. This healthy endeavor was the result of vigorous, active involvement of the Lago Vista Women's Club members.

Now it's my turn. I am well-aware of the extensive line of fantastic leaders of this club who came before me. I love the challenge that faces me as I follow in the footsteps of 39 years of past presidents -- Donna Nash, Jan Pfeiff-Comeaux, Sheryl Speckmann, Annette Stokes, Peggy Gibson, Ginger Halsted, Mary Ann Childs, and Madelyn Naber. And before them -- Joy Gross, Pat Valz, Louise Frennesson, Jean Allen, Pat Milholland, Kay Bjeland, Louise Hall, Nelda Moran, Smitty Garrett, and Fran Allen. All the way to our founder and still dedicated leader within the club -- Ann Murrow. What a vision our early leaders must have had, and how proud they must be of our club today!

I would like my first words given to you to be brilliant and outstanding. But I'm not "brilliant and outstanding," I'm just plain Trisha. I will, however, share my history with the LVWC. I joined in the spring of 2011, just after Annette Stokes and Kathy Helm visited my office. At the time, I was the LVISD middle school principal, and they came to see me to "persuade" me to allow the sixth graders to attend the symphony at the expense of the Women's Club. It was an offer I couldn't refuse! In fact, at that moment I decided to join the LVWC so that I could become more involved in the community. Since I retired from public education in 2013, I have served the club as first vice-president, programs, and most recently, as secretary.

I love Lago Vista, and I especially love the Lago Vista Women's Club. This organization has so much to offer -- monthly luncheons with incredible programs, a variety of special interest groups, an unforgettable gala, and a healthy comradery of friends. Truthfully, the hardest part of serving as president is remembering everyone's names! I never forget a face, but unfortunately, I might fail to recall your name. Your understanding is appreciated, but even better, wear your name badge to luncheons! It will save me the embarrassment of forgetting your name!

This September, I look forward to luncheons, activities, and renewing friendships after the summer break, but most especially, meeting new members to the club. It's going to be a fantastic 40<sup>th</sup> year of the Lago Vista Women's Club. Let's fly!

*Trisha*

### What's Going On This Month

#### Luncheon Reservations

One unforeseen effect of the devastation brought on by Harvey has been a disruption in our reservation system which is hosted out of Houston. If you have not received or responded to an email about the September luncheon or have not received a call from the callers, please contact Lisa Blendon at [lblendon@live.com](mailto:lblendon@live.com)

#### Tuesday, September 12, 2017– Women in the Science of Weather– Chikage Windler

Get ready to enjoy our first Fall meeting with good food, good friends and great entertainment. We are thrilled to welcome Chief Meteorologist at CBS Austin, Chikage Windler for our first program, 2017-18. She forecasts the weather weeknights at 5, 6, 6:30 and 10. With two decades of experience, including guest appearances on ABC's Good Morning America and ABC World News in New York City she says she is proud to be a weather geek! . Chikage is an Emmy-award winning meteorologist, a Certified Broadcast Meteorologist (CBM) in the American Meteorological Society, and holds the National Weather Association's Seal of Approval.

Chikage grew up in the heart of Tornado Alley in Oklahoma and saw first-hand the devastation of multiple tornadoes including the deadly EF-5 that hit her parents' neighborhood in Moore in 2013. She graduated magna cum laude with a B.S. in Meteorology and a B.A. in Broadcast Journalism from the University of Oklahoma. While in Norman, she chased tornadoes during the VORTEX-95 project at the National Severe Storms Laboratory.

When she's not forecasting the weather, Chikage is a busy mother of two girls, Austen and Zailey. She and her husband Jamie are also proud parents of Skipper, a dog they adopted from the Central Texas SPCA. Chikage is an avid runner, serving as the 2017 Austin Marathon Charity Chaser. She's the Captain of Team CBS Austin, a group of runners who tackle everything from 5ks to marathons! Chikage sits on the board of her college alumni club as well as cancer support group "Re: Cancer". She also serves on UT's Environmental Science Institute Advisory Committee and volunteers for organizations including Girlstart, Keep Austin Beautiful and the Austin Parks Foundation.

Chikage is a frequent emcee and attendee at community events across Central Texas. She also volunteers her time visiting area schools to share her love of weather with students from preschool to high school.

One of the questions Chikage gets most often isn't about the weather, it's about her name and heritage. Chikage is half-Japanese and her name means "thousands of views or vistas." She may even have a question and answer period so we can find out who makes her great clothes ;-). We are thrilled to have her and know you will be as well. See you at the meeting.

Blessings,

*Fran Rimmer,*

1st Vice President

### Making the Yearbook

Judy Devore

It takes every one of us to make the best Yearbook.

*Special Interest Group* coordinators provide descriptions and dates for each planned event for 2017-2018. *The Program* chair contributes the dates and

topics for each of next year's luncheon programs. *The Gala* chair provides information about the big event. And many others will contribute to our Yearbook. Much effort is put into making sure that names, addresses, phone numbers, email addresses and even spouses are all up to date. All this is done over the summer so that current Yearbooks for 2017-18 can be ready for distribution at our first luncheon of the year in September. Please look for the Yearbook table and be sure to pick up YOUR copy. Each one is customized with YOUR name, so be sure to double-check that you have the copy that was intended for you.

### Christmas Tour of Homes

Ann Murrow

Do you REALLY LOVE the Holiday Season? Then be a

Holiday Hero! We are preparing for the **3rd Tour of Decorated Christmas Homes**; an event that is more than just fun ... proceeds are donated to the Lago Vista Women's Club Philanthropy Fund in support of scholarships and community grants. We are looking for homes that are welcoming and jolly, like the season! Your fellow LVWC members will be inspired by the

individuality and uniqueness of each home's take on the season and enjoy music and food provided by the committee. Our last Tour raised \$4,000. Join the committee and/or volunteer your home and be a Holiday Hero to our deserving students and community organizations! To participate, send an email to Ann Murrow, [annmurrow@aol.com](mailto:annmurrow@aol.com)

### The Care Group

Christy Ordener

Introducing a renewed, reorganized and renamed Special Interest Group this year: The **CARE** group which is an acronym for **C**ompassionate, **A**ttentive, **R**eassuring, **E**ncouraging.

The mission of the CARE Group is to provide cheer and encouragement to club members who are ill or home bound. Group members will make phone calls or may provide home visits if desired. Primary communication among group members will be through phone calls and emails rather than regularly scheduled meetings. We would like to send birthday greetings to our members this year. Therefore, look for a "pink" sheet of paper on your table at the September luncheon and please print your name and birthday (year optional). Also if you are interested in joining the CARE group please contact: Christy Ordener at 432.349.5492 or you may sign up at the September luncheon.

### New Member Tea

Save The Date- October 10th at 10am; right before the luncheon.

Looking forward to meeting you and introducing you to all the exciting opportunities **The Lago Vista Women's Club** has to offer. Keep an eye on your inbox; an *Evite* will be coming.

You can reach Donna at 512-267-5947

#### Box Tops for Education

#### Time for a New Cooking Group?

The Cooking Pot is always full, with a waiting list. To start a new group, all that is needed is a coordinator and members who are willing to host it at their house occasionally. The format can be whatever you decide; fewer attendees, pot luck, the choices are limited only by your imagination. Cooking Pot would share its bin of

supplies. Talk to either Trisha Upchurch, Sheila Nichols or Susan Knox if you are interested.

Room in the POA Activity Center on the corner of Boggy Ford and American Dr. Come and share snacks and visitation at 12:30 and begin listening to the review at 1:00. You don't need to have read the book before the meeting, but you may want to afterwards!

Our first meeting will be Sept. 19th and will be an "all members" invited to share any 'old books'. These may be books that have been collected from family, textbooks, garage sale purchases, etc. We will also share titles/authors of books that might be of interest to others.

## SUMMER GET-TOGETHER

### Incoming Officers and Directors

Over the summer, the incoming Officers and Directors got together at Trisha Upchurch's home to start planning the upcoming year.

Back Row, left to right: Brenda Ryan, Vicki Perrin, Ann Murrow, Phyllis Jordan, Klee Lee, Dee Phipps, Joy Modawell, Kay Schneider

Second Row, left to right, Sheila Nichols, Ellen Spoto, Bev Lee, Annette Stokes, Fran Rimmer, Judy Devore, Melody Kempf

Bottom row, left to right, Trisha Upchurch, Robin Little, Anna Johndrow

The sunny days of summer are favorites for trips, visits from family and just stretching out in a hammock with a refreshing beverage in hand...OR, to get together with friends and colleagues to discuss the myriad details that must be handled and understood in managing the administration of our Women's Club. But as in all things that we do, having work to get done doesn't mean not having fun! So we could get to know each other better, we played a game of "Secrets". Can you match the secret to the person?! See the next page for the challenge and the answers! How many can you get right?

## Come Fly with Me

### 2018 GALA

Let your imagination carry you through the fluffy clouds in a beautiful sky, filled with hot air balloons, birds, and butterflies as the Lago Vista Women's Club soars to new heights! Our annual Gala will be held on January 27, 2018, and preparations are in full flight to make this a memorable event. The evening will be filled with excitement -- dinner, dancing, socializing, and joining in the fun

with the live and silent auctions. Our goal is to raise more money than ever before for the high school scholarships and philanthropic donations we proudly award each year. Every member of the Women's Club can be a part of making our Gala a success; all volunteers and donations to our live and silent auctions and wine pull are greatly appreciated. We want you all to share in the excitement, so please consider how you would like to become involved. Look for future announcements at upcoming luncheons suggesting ways you can volunteer and/or contribute to the gala auctions. In the meantime, if you need information regarding the Gala, you may contact Vicki Perrin, Gala chair, 214-766-7441, [vperrin@verizon.net](mailto:vperrin@verizon.net), or Elyse Ernst, Auction chair, at 832-603-2051, [ekernst@swbell.net](mailto:ekernst@swbell.net).

**Helpful Hint:** When dining out, ask the manager of the restaurant for a gift card for two for the Gala Silent Auction! Make sure the manager knows that you are asking in the name of a club with over 300 members! They will be grateful for the opportunity to promote their business with such a large group.

## IN MEMORIAM

**We are sad to report that over the summer we lost three dear friends and members. Please join us all in offering prayer and support to their family and friends.**

Long-time LVWC member Marcia Gully passed away on May 24<sup>th</sup>. She had just turned 78 five days earlier. Please keep the family, and especially her daughter and LVWC member Melissa Linton, in your thoughts and prayers.

On June 27 Jennie Whiteman passed away after a short illness. Many of us knew Jennie from line dancing as well as at LVWC luncheons. She was a delightful lady inside and out. The line dancing group is collecting donations for a charity to be given in Jennie's name.

On July 9 Joan Miller passed away. She was active in many LVWC and community activities, including bunco, the garden club, the golf association, and her church. She was a giving, loving person. A memorial mass for Joan was held on Saturday, July 15 at St. Mary's, followed by a reception at Rolling Hills Church.

## THOSE WE LOVE DON'T GO AWAY

*They walk beside us everyday*

Our community has once again shown it's heart and soul in offering prayer, solace and refuge to family and friends affected by Hurricane/Tropical Storm Harvey. We have fielded questions about the best way to contribute time or funds to the multiple programs that are available. We do not endorse or promote one over the other, but as a convenience to our members who have been looking for detailed information, here is a list of some resources. **Have you noticed?** Our newsletter has undergone some changes! The colors and the layout may be different, but the intention will always be to provide all our members with up-to-date information that is informative and entertaining. As the year progresses I would love to look back and see how the newsletter is a faithful reflection of the events, stories and celebrations of our lives as members of the Lago Vista Women's Club but also as friends. To streamline our production and save money, we are putting greater emphasis on the digital editions. Members who have shared email addresses with us will continue to receive a full color, PDF version of the newsletter in their in-boxes. For those who prefer a printed version, they will continue to be available by request only and in black and white. If you wish this option, please indicate your preference at the NEWSLETTER sign-up table and from October forward; a copy will be reserved for YOU! Look for it at the newsletter table at each luncheon. All new, full color PDF editions will be archived on our website, [lvwomensclub.com](http://lvwomensclub.com), making it easier to find previous articles or information of interest. If you have a submission that you feel will be of interest about our club, our events or our members which you would like to have considered for inclusion in our newsletter, please send it to [lagovistaWCnewsletter@gmail.com](mailto:lagovistaWCnewsletter@gmail.com). Please take note of the submission deadlines included in the chart below. The goal is to have the PDF editions delivered well in advance of the luncheons and the printed versions ready for distribution then. Hope you enjoy the new newsletter and I look forward to hearing from you.

This is what I look like (on an OK day!), so if you see me at the luncheon, let me know what you would like to see included in your newsletter. Anna Johndrow
