Judging Ballot & Flow Sheet

Cross Examination Debate Judge's Flow Sheet

(Judges may not discuss the debate with one another until they complete their ballot)

Use the flowsheet to take notes on the debate and record your impressions.

No new arguments can be introduced during Reply Speeches although new evidence (examples, logic etc.) is allowed.

The first and last minutes of all constructive speeches are protected, meaning Points of Information are not permitted.

Points of Information are not permitted in the reply speeches

After the debate is over, make constructive comments to the debaters, but do not **announce the winning team unless told to do so.**
