

The Breeze

Welcome Newbies *by Judi Barry*

On the evening of November 11th, Veterans Day, 128 residents came to the clubhouse for our annual Wine and Cheese party to welcome our new residents to the Bay Crossing community. The clubhouse was beautifully decorated in red, white, and blue to honor our veterans and this special day.

Peter Grant thanked everyone for coming and welcomed our new residents that were able to attend; Alane and Joseph Greyson, Rick and Susan Spencer, Gregory Du Ross, Ed and Diane Coffin, Susan Heller, and Julie and Steve Sell.

As the guests entered, they picked up their wine glasses and name tags and then proceeded to the wine stations to start the festivities. Then on to the lavish tables of food which was all prepared by members of the Lifestyle Committee. In addition to cheese and crackers, we munched on meatballs, spinach pinwheels, chicken salad in phyllo dough, shrimp, veggies, and dips. It was quite an elaborate selection that would rival that of any catering company!

Peter's Perspective . . . by Peter Grant

As we close in on the end of the year, I would like to continue on a theme that has been mentioned in many of the past "Peter's Perspectives," and that is the wonderful volunteers we have in this community. The Board of Directors had the privilege and opportunity to host 2017 Bay Crossing volunteers on October 15th at a stand up cocktail party at the clubhouse. We had almost 100 in attendance. That means approximately 1 out of every 4 residents has in one way or another contributed to making this the great community that it is. We hope and plan to make this celebration an annual event and look forward to working with all our volunteers in 2018.

On November 18, the Board will host an open community meeting to explain and better understand the 2018 budget. Our Finance Committee and Board have consolidated all of the projects our various committees have put forward as their "wish lists" for 2018 and with few exceptions will be able to move forward on all proposed projects. The Finance Committee had meetings with each Committee and then went through over five draft revisions of 2018 expenses to arrive at the final proposed budget, which was mailed to the entire community in early November. Once again, we will be able to manage the community with no increase in HOA dues in 2018.

The Long Range Planning Committee has done a superb job in consolidating the results from their survey into an Executive Report to the Board. This survey has highlighted areas for the Board to concentrate on when considering projects for common areas and in re-writing our Covenants. The results of the survey are being made available to the community and will be posted on the Bay Crossing web site.

Our property management company has been acquired by HPS Property Management. This acquisition was announced to the Board in October. Initially there will be no changes in operating procedures. We will work with the new management as if there is no change except in name.

The Board wants to take this opportunity to wish everyone in the community a safe and happy Thanksgiving and Holiday Season.

Peter Grant, President NWA

Peter also thanked the women of the committee for all their hard work in shopping, setting up, cooking and cleaning up. And, of course, the husbands who set up tables and chairs. It was quite the event and one that is a favorite of many of our residents.

Our next big event is the Gala on December 9th at the Lewes Yacht Club. We hope to see you there!

Bay Crossing Residents Satisfied with our HOA Lifestyle *by Phil Wescott*

Bay Crossing residents have lots of opinions. Fortunately, most of us are willing to share our opinions when asked. The small group doing the asking is our ad hoc Long Range planning Committee [LRPC]. The asking paid off in August when 232 residents completed an online opinion survey about our lifestyle satisfaction.

Appointed by the Board early in 2017, the small LRPC group consists of Agnes Boxhill, Mary Cavey, Frank Storey, and Peter Strub, with BOD Planning Officer Phil Wescott offering guidance and BOD Treasurer Nancy McCloskey assisting with survey data analysis. The opinion survey results were presented to the BOD and open meeting attendees at the September 2017 monthly meeting.

Clearly, most Bay Crossing residents appreciate the many benefits of living in our HOA community. The survey asked about satisfaction levels related to our infrastructure and overall community attractiveness, to our Board and Committee and Property Manager performance and oversight of our HOA resources, to usage of our Bay Crossing amenities, to our sense of safety and security, and to broader community issues and concerns outside Bay Crossing.

The LRPC learned a lot from the residents' responses. They invested many hours tabulating and analyzing the survey data and then in preparing a Summary Report of findings and conclusions. The BOD is now studying the survey report as one important tool that will also become part of our 2018 to 2020 Bay Crossing Strategic Plan.

The Board will also place the Executive Summary report and the accompanying PowerPoint presentation from the September BOD monthly meeting on the Bay Crossing website that is now being managed for us by HPS Property Management.

Dozens of costumed characters walked Bay Crossing on Halloween to Trick or Treat. And over a dozen “Treat” homes provided snacks and adult beverages to the revelers.

Witches and Wizards were abundant, including Glinda, the Good Witch of the West. There was also a leprechaun vampire, lederhosen guy, twin clowns, skeletons, devils, a pregnant tiger, little red riding hood, a burger & hot dog, a south-of-the-border singer, a “street” walker, as well as a Harvey Weinstein look-alike. Dogs guarded the walkers from spooky marauders.

And the Winner is . . .

Janice Shannon of Seaport Loop correctly guessed the weight of the pumpkin in the Lewes Weis Market contest.

Weis grocery had a contest to guess the weight of a HUGE pumpkin they had on display. The winner would win the pumpkin and a \$25.00 Weis gift card. She received a call from Steve at the Weis grocery store and he informed her that she was the winner of the pumpkin and gift card. Her guess of 149 lbs. was exactly the weight of the pumpkin.

Steve told her 8 people guessed the correct weight and they put the 8 names in a drawing and Janice won. Her first question was: “Will someone put the pumpkin in my car?” Yes, he said they would.

Southern Frogmore Stew

Serves 10

- 5 quarts water
- 10 Tbs. Old Bay Seasoning or 2 Tbs. per quart of water
- 2 lbs. red potatoes
- 2 lbs. kielbasa sausage cut into 2 in. pieces
- 6-7 ears of corn cleaned and cut in half
- 2 lbs. extra large fresh shrimp
- 2 lbs. snow crab legs

1. Bring water and Old Bay to boil.
2. Add potatoes and cook 15-20 min. or until almost cooked. Add sausage and cook 5 min. more, add corn and cook another 5 min. Stir in shrimp and crab legs and cook until shrimp are pink, about 5 min.
3. Drain and serve with lemon wedges and cocktail sauce.

Crunchy Noodle Kugel à la Great-Aunt Martha

- 1 cup raisins
- Sherry or orange juice
- 1 pound egg noodles
- 6 tablespoons unsalted butter, cut into pieces, more for pan
- 4 large eggs
- 3 cups cottage cheese
- 1 cup sour cream
- 1/3 cup sugar
- 1 teaspoon ground cinnamon
- Grated zest of 1 lemon
- Pinch of salt

1. Put raisins in a microwave-safe bowl or small saucepan and cover with sherry or orange juice. Heat on stove top or in microwave oven until liquid is steaming hot (about 1 1/2 minutes in microwave or 3 minutes on stove). Let cool while you prepare kugel mixture.

2. Preheat oven to 400 degrees. Butter an 11-by-17-inch jellyroll pan. Cook noodles according to package directions and drain well. Immediately return noodles to pot and add butter. Toss until butter melts.

3. In a large bowl, whisk together the eggs, cottage cheese, sour cream, sugar, cinnamon, lemon zest and salt. Drain raisins and add to bowl along with buttered noodles. Mix well.

4. Spread mixture in prepared pan and smooth top. Bake until top is crusty and golden, 25 to 35 minutes. Serve warm or at room temperature.

Men's Golf *by Reed Angster*

The month of October produced fewer rounds of golf from the members of our Men's Golf Club, resulting in a collective total of 82 rounds completed during the month. The low round of the month was shot by Mike Moore who finished the 18 holes with a score of 81. Other members having excellent rounds included Mike Woodruff with an 87; Rick Spencer, Frank Storey and Reed Angster, all shooting an 88 and Brian Sheehy and Darryl McCabe finishing their rounds with an 89.

Here is another reminder to make sure all golfers have marked their calendars with the date of our 2018 tournament and awards dinner. The tournament will be held on Tuesday, September 25, 2018 at the Rookery South Golf Course and the awards dinner will be held on the same day at the Big Fish Restaurant.

If you are interested in learning more about membership in the Bay Crossing Men's Golf Club, please call at 302-644-7613 or email him at "jangster@comcast.net."

Bay Crossing Book Club *by Becky Gansauer*

The December meeting of the Bay Crossing Book Club will be on Monday, December 4th at 3:30 p.m. Debbie Zwicke will lead the discussion of *Another Brooklyn* by Jacqueline Woodson. Following is a brief overview from the Delaware Libraries web site.

Running into a long-ago friend sets memory from the 1970s in motion for August, transporting her to a time and a place where friendship was everything--until it wasn't. For August and her girls, sharing confidences as they ambled through neighborhood streets, Brooklyn was a place where they believed that they were beautiful, talented, brilliant--a part of a future that belonged to them.

But beneath the hopeful veneer, there was another Brooklyn, a dangerous place where grown men reached for innocent girls in dark hallways, where ghosts haunted the night, where mothers disappeared. A world where madness was just a sunset away and fathers found hope in religion.

*Jacqueline Woodson's **Another Brooklyn** heartbreakingly illuminates the formative time when childhood gives way to adulthood--the promise and peril of growing up--and exquisitely renders a powerful, indelible, and fleeting friendship that united four young lives.*

Our December meeting will not be held at the regular time. We will meet at 3:30 p.m. and enjoy wine and hors d'oeuvres, along with our book discussion, to welcome in the holiday season. We will also have a book exchange – anyone who would like to should bring a gently used, wrapped book to share.

As always, we welcome all our neighbors to attend our monthly meetings, held the first Monday of the month, normally at 1:00 p.m.

For the list of upcoming books, please visit the Bay Crossing website and click on the book club link under the Stay Connected tab. If you have other questions or comments, or wish to be added to the book club email list, please contact Becky Gansauer at beckygans@comcast.net.

Architectural Review Committee *by Reed Angster*
Questions Homeowners Ask

1. When am I required to remove the holiday decorations on the exterior of my home?

There is nothing in the Covenants or Architectural Standards specifically dealing with a time limit related to taking down holiday decorations. We ask you to use common sense and remove your holiday decorations approximately two weeks after the end of the designated holiday.

2. If I want to apply to the ARC for permission to have an addition constructed to the outside of my home or to add additional landscaping to my property, what is the procedure?

First, you must submit an application to HPS Management Company. A copy of the Design Review Application can be found on the Bay Crossing website, at the back of the 2016 edition of the Architectural Standards Manual (Appendix II) or by contacting Reed Angster at 302-644-7613. In addition to completing the four-page application, you must also submit a copy of your original survey with the addition requested drawn to scale on the survey and a separate, larger drawing of the actual addition showing the dimensions of the addition. You must also provide a sprinkler plan on a separate page indicating where any sprinkler heads are that will have to be capped or moved. Please include any photos, catalog illustrations, etc., showing the nature, kind, shape, color, dimensions and materials for the project. A copy of your contractor's business license and certificate of insurance must be attached. There is a \$25 application fee. Your check is to be made payable to "HPS Management Co." Please call the chairperson, Reed Angster at 302-644-7613, if you need any help completing the ARC application. The completed application is to be mailed to:

HPSManagement Company
17298 Coastal Highway UNIT 1
Lewes, Delaware 19958

3.. After I have mailed in or delivered my application to HPS, what is the process used to get my project approved?

HPS, our management company, records your application and then forwards it by e-mail to the chairperson of the Bay Crossing Architectural Review Committee. The chairperson then assigns one of the Architectural Review Committee members to review the application, meet with the homeowner(s), inspect the site where the project is to be constructed and discuss any problems he or she may have with the proposal. Assuming the proposed construction does not violate any of the Bay Crossing Covenants or guidelines in the Architectural Standards Manual, the ARC representative will share the application by email with the other ARC members and recommend approval. If none of the other members of the committee has any objections to the proposed project, the ARC member assigned to coordinate the approval process of the application will notify the chairperson of the ARC that the committee has approved the application. The ARC chairperson will then notify the homeowner that his/her application has been approved.

Continued on P 10

Architectural Review Committee *Continued from P 9*

Please understand that the ARC does not wait until it has a monthly meeting to approve applications. As soon as the committee chairperson receives the application, it is immediately assigned to a committee member and the entire approval process may only take one week from the time the application is received from HPS.

The next meeting of the ARC will take place on Friday, December 1, 2017 at 9:00 a.m. in the craft room of the clubhouse if there is business to discuss. Meetings are not held every month if there is no reason to meet. All residents are welcome to attend if a meeting is scheduled. If you can't make the meeting but have a question, please call Reed Angster at 302-644-7613 or email him at jangster@comcast.net.

Fall Festival Pot Luck with Karaoke and DJ

About 70 Bay Crossing residents enjoyed themselves at the Fall Festival Pot Luck event held on October 20th. The food was plentiful and delicious, all provided by the excellent cooks and bakers who reside in the neighborhood.

There were appetizers, salads, hot and cold entrees as well as scrumptious desserts. DJ and Karaoke entertainment was provided by our own Bill Lyons. Many daring individuals took to the microphone hoping for their chance at a shot on "The Voice." The audience appreciated their bravery, but, alas, no contracts were awarded. All in all, m everyone had a fun and entertaining evening.

Right Up My Alley

By Mike Inman

It was a beautiful autumn day when we headed for Millsboro on 10/2/17. Generally, the weather was better than our scores, but there is always a winning team and some notable individual scores.

Leading the pack was a three-person team of Cathy Schlossnagle, Sal Guttilla and Ken Dietel. With a strong first game, they outlasted the second place squad by a mere 13 pins. Ken's steady hand produced games of 154 and 147, but the kicker was Cathy's best effort yet with a great 141.

Not to be outdone, though they were, Dave Yabroudy logged the high game with a 166, followed by Steve Bellwood's 160. Ann Condra topped the ladies with a nice 146 and Doris Dietel kept her team in the hunt with a solid 136.

Two more October dates will soon test the BCBC's mettle! Stay tuned.

Close matches marked our battles on 10/16/17, except for first place! Six teams of four were all "roll" models on the lanes. The two groups finishing fifth and sixth were separated by two pins. Teams in third and fourth had only a one pin difference. But first place belonged to the quartet of Barbara Grant, Jan Holly, Ann Condra and Dave Yabroudy, leaving the runners-up a distant 66 pins behind.

Dave kept his team on track with an initial 168, but the ladies carried him and the team to victory in game two, greatly aided by Ann's 155 and Jan's 132. For the rest of us, some good scores emerged. Doreen Mohny almost topped her best with a cool 131 and I rebounded with a comforting 185. But Gene McCloskey stole the show, carding a stirring 197, his best in a while, followed by a steady 165.

Bowling on All Hallows' Eve was quite an adventure. Seven four-person teams mixed it up for bragging rights. Parity was again partially achieved with teams placing fifth and sixth only three pins apart. Vying for second place, teams two through four were within six pins of one another. But the best team prevailed by only 27 pins.

That victorious quartet was led by the highest game of the evening, a 177, by none other than (drum roll, please) Doreen Mohny! She carved out a turkey (three consecutive strikes) while obliterating her all-time high game by 42 pins. Her supportive teammates were Deanna McCabe, George Sheahin and Darryl McCabe, with George boosting their efforts with a 145, his best game in over a year.

We welcomed back some nine-and-dine stalwarts and Pat Mowll took advantage with her best game, a steady 130. Sal Guttilla almost matched his best by rolling a 136. Gene McCloskey continued to impress with a 166 and Steve Bellwood echoed his game one 156 with another 156. Newcomers Barbara Beams and Bob and Mindy Straus were welcomed to the gang.

Anyone interested in joining this fun-loving bowling and dining ensemble please email Mike Inman at minman7@gmail.com.

Bocce *by Reed Angster*

As the weather gets colder, the bocce court surface may not be ready for play because it has not been able to dry out and harden. Before you decide to use the court, please check the firmness of the surface to be sure you can walk on it without leaving any footprints.

Eventually our maintenance crew will make the decision to permanently close the bocce court for the winter season. At that time, the scoreboard will be taken down, indicating that the court is closed for play and all residents and guests should refrain from walking on the surface of the court.

Thank you for your cooperation. See you on the court again in the spring when the 2018 bocce season begins.

With Appreciation . . . by Cathy Schlossnagle

On October 15, Bay Crossing thanked its numerous volunteers for their many hours of service to the community.

Approximately 90 residents enjoyed appetizers catered by The Pantry at Nage Catering and wine.

A generous donation by Chesapeake Utilities helped make this reception possible.

Thank you also to Sposato Vineyards for the donation of wine.

Through September, volunteers have provided over 5,000 hours of service. The financial savings to Bay Crossing is enormous. **THANK YOU !!!**

How Well Do You Know Delaware?

By Mike Inman

Gail and I have been Delaware residents since November 2006, but an article Jo Morgan (Jib Court) gave me shows how little I know about the details of our new (to many of us) home state. The article was from the Sunday, September 24, 2017 special section of the News Journal titled “First State Symbology.” Here are some of the many cool facts about our small corner of the planet. See how many you already knew, but no cheating!

1. State butterfly – the Tiger Swallowtail, suggested by schoolchildren, it won a statewide vote on June 10, 1999.
2. State beverage – milk, named July 1, 1983 over 100 years after the debut of milk delivered in bottles on January 11, 1878.
3. State bug – the ladybug, though it is actually a beetle, designated April 25, 1974.
4. State bird – the blue hen, aggressive and prone to fighting, is also the mascot of the University of Delaware and became the state bird on April 14, 1939.
5. State dance – the Maypole dance but only from July 2016 to July 29th this year.
6. State fish – the weakfish or yellow fin trout. When chosen on July 7, 1981 their population was robust, but they have since migrated south.
7. State dog – the Golden Retriever, another classroom designation effective August 3, 2016 but, again, only for a year.
8. State flag – Within the flag’s buff colored diamond is the state’s great seal. The background is blue and the date, December 7, 1787, marks when Delaware was the first state to ratify the new U.S. Constitution. The flag was formalized by law on July 24, 1913.
9. State fossil – (None of us, yet) is Belemnite, designated on July 2, 1996. The fossil, chosen again by students, is a squid-like creature that lived 80-85 million years ago.
10. State flower and dessert – the peach blossom and the peach pie with the blossom becoming the official floral emblem on May 9, 1895 and earned the title state flower on June 13, 1955. The pie was named the state dessert on July 30, 2009 following a petition by, you guessed it, school kids!
11. State marine animal – none other than the famous horseshoe crab, designated June 25, 2002 as requested by a 17-year-old student. The horseshoe crab is the only true blue-blooded Delawarean.
12. State nickname – The First State (see #8 above) became the official nickname on May 23, 2002. We are also known as the Blue Hen State and the Diamond State.
13. State macroinvertebrate – the stonefly. On May 4, 2005, Delaware became the first state to have this category.

Delaware *Continued from P 13*

14. State herb – (no, not what you think!) goldenrod was named the state herb on June 24, 1996 and Delaware was again the first in this category.
15. State seal – Though each Delaware county had its own seal in the mid-1700s, a new one was needed after Separation Day (June 15, 1776) when Delaware separated from Pennsylvania. A new seal was adopted January 17, 1777.
16. State mineral – Sillimanite, named for a Yale professor, it was adopted March 24, 1977.
17. State shell – the channeled whelk symbol was enacted May 6, 2014 after a middle school Girl Scout promoted having a state shell.
18. State soil – Greenwich loam, adopted April 20, 2000, boosted by more middle school students. It is a very productive agricultural soil that probably does not exist in Bay Crossing!
19. State fruit – the strawberry became the state fruit on May 13, 2000.
20. State song – “Our Delaware” won a contest and became official on April 7, 1925 and might not be on Bill Lyons’ playlist.
21. State star – Delaware Diamond, named by a 12-year-old and declared on June 30, 2000.
22. State sport – Bicycling was declared on June 14, 2014 at the urging of elementary school students. Delaware now ranks third nationally for bike-friendliness.
23. State tall ship – The Kalmar Nyckel is one of the ships that brought the first permanent European settlers to Delaware in 1638. The re-creation of the ship was launched September 29, 1997 and the designation was made on September 9, 2016.
24. State tree – The American holly. Milton was once the largest supplier of holly wreaths in the U.S. and its designation was made May 1, 1939.
25. State wildlife animal – The grey fox, named a state symbol June 10, 2010 at the urging of a group of fourth-graders.

Got an idea for another state symbol? Time to lobby a state representative or talk to some school kids!

The Bay Crossing Travel Club is sponsoring an afternoon/evening trip to **Longwood Gardens**, on Tuesday , **November 28th**, to view the Christmas lights and displays. We are planning on carpooling up to the Gardens. We would be leaving here at 2 P.M. for arrival at the Gardens for our 4 P.M. reservation/time slot. The Gardens stay open until 10 P.M.

The group rate (15 or more) for seniors is \$17 per person.

There is dining available at the restaurant (dinner : approximately \$50), where reservations are suggested and you can do these yourselves by calling Longwood Gardens or going to their website.

There is also a café (dinner : \$15- \$ 25) that does not require reservations. The restaurant is open until 7:30 P.M. and the café until 8 P.M., so if we stay for dinner we would be getting back to Bay Crossing about 9:30 P.M – 10:00 P.M

Anyone who is interested in going on this trip should contact Paula Thetford ([301-806-7908](tel:301-806-7908)) or email (pcthetford@gmail.com) . If you have any further questions please don't hesitate to ask.
