

# The Lyons Community Church Mid-Week Message

Thursday, April 12, 2018

Greeting Friends,

I pray that you are all having a blessed week, enjoying the beautiful sunshine and warmer weather! The days of sun have gotten me excited for warmer summer days and the many summer activities. One popular summer activity, especially here in Colorado, is camping. This can be simply done with your family or through the opportunity to attend church camp!

I don't know how many of you went to and/or volunteered at a church camp growing up, however I do know that it can be an amazing experience and opportunity for our young people. Church camp offers young people a chance to explore nature, make new friends, grow in their faith, worship, all the while having a super fun time!

We are blessed to have a phenomenal United Methodist Church Camp just about 50 miles away in Bellvue, Colorado. This camp is called Buckhorn Camp.

This Sunday the Buckhorn Camp Director, Austin Hubbard, will be with us in worship to share a little bit about the camp. He will share the specifics for the different weeks of camp as well as ways that we can offer support to the camp and to the campers!

Blessings,

*Pastor Emily*

## Easter Offering

This year, half of our **Easter Sunday** offering went toward supporting our partner missionary, Kutela Katembo in East Angola. He represents and leads Quessua Mission Agriculture Project, working for sustainable agriculture, throughout the many villages. They are planting many trees, especially fruit trees, which is helping to increase the vitamin intake of the villagers.

Thanks to all who gave in support of this very important ministry and missional connection!!!

Dear Friend of UMCOR,

The United Methodist Church of Johnstown is now an UMCOR Hub for the Peaks-Plains District. We are sponsoring a Hygiene Kit Day on Sunday, May 6<sup>th</sup>, and we are inviting all the churches in the district to help out. UMCOR has requested that we focus on Hygiene Kits for this drive.

Your church can help in any of several ways.

1. Sponsor a kit-building party at your church. Your church would purchase all of the “ingredients,” then assemble them into kits. Attached to this e-mail are the instructions for building Hygiene Kits.
2. Using the ingredients list, simply purchase kit items and get them to UMC Johnstown for assembly.
3. Send money to the Hub for items. Make checks out to “UMC Johnstown” and be sure to put “UMCOR Hub” in the memo line.

Whichever way you choose, we can help you get the items to Johnstown. We can come to Peaks Sub-District churches and pick up items, and we can make arrangements with Plains Sub-District churches to either meet you half-way, or set up a holding place.

**If you wish to bring items to UMC Johnstown, our address is 108 King Ave, Johnstown, CO 80534. Please call ahead [\(970\) 587-4444](tel:9705874444) and let us know when you'll be here.**

Once we've collected all of these items, we may need help getting them to the UMCOR Depot in Salt Lake City. If someone in your church was planning on driving to Annual Conference in Ogden and has room for some buckets or boxes, please give us their contact information.

Thank you for your help. UMCOR truly makes a difference in lives at home and around the world.
