Tactical Youth Wrestling (TYW) is a newly formed youth wrestling organization in the Huntsville area! It is for boys grades K-6.

TYW will teach your little athlete the strong foundation of skills he needs to be successful on the mat, as well as principles of self-discipline, sportsmanship and teamwork he needs off the mat. He will learn all the basics, and more advanced tactics, and have the opportunity to compete in matches and tournaments.

TYW is sponsored by and feeds into Huntsville High School Panther Wrestling program. The season begins November 20th and ends February 17th. Practice will be held at Hampton Cove Middle School. Please register by November 18th. The cost is \$200. This covers:

- athletic gear the athletes will keep;
- their registration with AAU;
- 3-4 days a week of training and conditioning;
- free entry for immediate family to all HOME matches and tournaments.

Registration after this date is allowed but there will be a \$20 late fee. If you have more than one athlete you would like to register, the rate is reduced to \$180 each. *You can also get up to \$50 back for referrals, so have him tell his friends!*

There will be an Info Night on Thursday November 16th at 6:00 pm at Hampton Cove Middle School where the parents can meet the coaches, ask questions, and the athletes can get fitted for athletic gear. Attendance is not required but it is highly recommended.

Tactical Wrestling was created by Alabama native Cornell Rogers. The Tactical Youth Wrestling program is managed by Coach Rogers and his assistant, Nicholas Johnson. They have 13 years of experience participating in and coaching a successful wrestling program, have won numerous awards and hold school records.
