Although you have been pre-registered at the hotel, you must present your credit or debit card to the front desk to guarantee any incidental charges (phone calls, room service, etc.). Please note that if you use a debit card, the hotel may place a temporary hold on your account for the duration of your stay. Most holds fall off 3-10 business days after your check-out date.

Checked luggage will be delivered to your hotel room after you receive your room key. Plan on at least two to three hours for luggage delivery. You do not need to be present in your room for luggage delivery. Since all portage and baggage handling gratuities are included in your package price, it is not necessary to tip the bell staff. If someone else's baggage is mistakenly placed in your room, please contact the bell desk of the hotel immediately. Since your arrival occurs prior to 3:00 pm, your room may not be ready. In this case, your luggage will be stored in a secure location and will be delivered to your room after you receive your key.
