

The Wood's Edge

Green Burial

Rules and Regulations

Purpose and Philosophy

The purpose of these Rules and Regulations is to provide for the mutual protection of Paxtang Cemetery Green Burial Ground called the Wood's Edge (Herein called "the Cemetery), the owners of Interment Rights in the Cemetery and visitors to the cemetery. All interment Rights sold therein shall be subject to these Rules and Regulation, as they now exist and including any future revisions here after by the Cemetery. Any reference to these Rules and Regulation in any purchase agreement entered into by the Cemetery, or in any Certificate of Interment Rights issued by the cemetery, shall have the same force and effect as if these Rules and Regulation were set forth in full therein.

The Rules and Regulations for the Cemetery are to be used as a management guide by the Cemetery management or its employees.

I. PHILOSOPHY

The Philosophy of the Cemetery is to honor these main principles:

1. Provided our owners and their families a Cemetery that offers green burial options.
2. Restore Cemetery Operated lands by implementing long-term restoration plans native to central Pennsylvania. The Cemetery will work to provide beautiful, natural setting for gravesites, so families and friends of the deceased feel that their loved ones land conservation wishes have been honored.
3. Make all gravesites accessible to persons with disabilities as much as is feasible in a natural environment.
4. Treat our employees fairly, involve them in business-making processes provide them with all required training needed to perform their jobs, provide equal opportunities in hiring without regard to age, gender, race, ethnicity, religion, place of birth, nationality or sexual orientation.
5. Comply with all federal. State and local laws.
6. Become certified by the Green Burial Council as a Hybrid Burial Ground and comply with their customer relations criteria.
7. Protect and restore our natural environment.
8. Provide a natural and beautiful burial ground (or cemetery) for all to visit.
9. Respect family's funeral and other end of life choices
10. Help provide closure for family members after the death of a loved one.
11. Honor people's need for a place to grieve their loss of loved ones.

The Cemetery expressly reserves the right, at any time and without prior notice to any owners or others, to adopt new rules and regulation or amend, modify or repeal any section, paragraph, or sentence of these Rules and Regulations.

2. The Cemetery workers and Contractors may cross over any Cemetery Lot to perform normal Cemetery operation
3. Cemetery employees or contractors under the control and with permission of the cemetery management shall do all the Cemetery's work including but not limited to landscaping and care of lots. No persons, other than the duly authorized employees of the cemetery, shall be allowed to perform any work within the cemetery without written authorization issued by the cemetery management, and any such work so authorized shall be subject to all provision contained herein pertaining to such activity.

Force Majeure

4. The Cemetery shall take reasonable precautions to protect against loss or damage to property or rights within the cemetery, but it expressly disclaims all responsibility for loss or damage from causes beyond its reasonable control, specifically, but not by way of limitation, from loss or damage caused by the elements, Acts of God, common enemy, thieves, assailants, vandals, strikers, lockout or labor trouble, malicious mischief maker, explosions, unavoidable accident, invasion, insurrection, riot, government act or regulation or order of military or civil authority, whether the loss or damage be direct or indirect.
5. The Cemetery management may from time to time as it sees fit for the benefit of the cemetery operations temporarily waive certain rules and regulation. If this is required, this temporary condition does not constitute a permanent change in the Cemetery's Rules and Regulations

Errors

6. The cemetery reserves and shall have the right to correct any errors that may be made by it in making Interment, or sales, transfers or conveyances of Interment Rights, including the right to make substitutions and convey in lieu thereof other interment Rights of comparable value and similar location (to the extent possible) as may be selected by the cemetery. Alternatively, the cemetery, in its sole discretion, may refund the amount paid on account of the purchase of the interment rights, merchandise or service to which the error relates. If the error involves the Interment of remains in the wrong location, the cemetery may, at its option, transfer such remain in the wrong location to the correct location or to a similar location of comparable value. The Cemetery shall have no liability as a result of any errors of the type described in this paragraph other than its obligation to take the remedial actions described in this paragraph.

7. The cemetery reserves the right to correct any errors that may be made by placing improper inscription, including an incorrect name, date on the Memorial or for placing a Memorial on an incorrect site.

Layout and Design

8. The Cemetery reserves the right to enlarge, reduce, replat, or change the boundaries or grading of the Cemetery or of a section thereof, from time to time, including the right to modify or change the location of, or remove or regrade features, roads, drives, trees, shrubs, flowers, landscaping and walk. The Cemetery further reserves the right to lay, maintain, operate, alter or change drainage and ponds as well as the right to use the Cemetery Property, not sold to owners, for Cemetery purposes, including the interring and preparing for Interment of Human Remains, or for anything necessary, incidental or convenient thereto.
9. The Cemetery shall have sole and exclusive authority with respect to the planning, surveying and improvements within the Cemetery.
10. If any tree, shrub or plant, by means of root, branches, or otherwise, becomes detrimental to the Interment space upon which the plant stands or to any adjacent Interment space or roads, drives or trails, or if for any other reason its removal is deemed necessary, the cemetery management shall have the right to remove such tree, shrub, or plant, or any part thereof, otherwise correct the condition existing as in its judgment it deems best. In the event of such removal, the Cemetery shall have no obligation to replace any removed tree, shrub or plant.

V. Ownership of Interment Rights

Not Land Ownership

1. An owner of an Interment Right does not, by virtue of such ownership, acquire Ownership of the Interment space or of land or improvements with the cemetery.

Payment and Ownership Conditions

2. A certificate of Interment Rights shall be issued upon full payment of the purchase price of an Interment Right. Every Interment Right shall be subject to (a) all applicable laws and government regulation; (b) the Articles of Incorporation and other document establishing the Cemetery; and (c) all Rules and Regulations adopted by the cemetery, as now in force or as hereafter amended or adopted, whether or not as set forth herein.
3. Interment Rights can be purchase in the cemetery only with the written approval of the Cemetery and subject to the Rules and Regulations of the Cemetery now or hereafter adopted by the cemetery and for the purpose of Interment only.
4. The individual (s) named in the Certificate of Interment Rights issued and of record will be presumed to be the Owner (s) of the Interment Right unless the Cemetery receives written notice to the contrary by the Owner or by the Court. The Cemetery records shall be sufficient warrant in all matters regarding ownership.
5. A Certificate of Interment Rights may be issued to an individual, multiple individuals as tenants by the entirety. Only one original Certificate of Interment Rights will be issued.

Certificates

6. The Certificate of Interment Rights, the execution of a Purchase Agreement and these Rules and Regulation, and any amendments hereto, shall constitute the sole agreement. Between the Cemetery and the Owner of the Interment Right and their next of kin, and no statement of any sales agent or other Cemetery employee to the contrary shall bind the Cemetery.
7. The person name in the Certificate of Interment Rights issued and of record will be presumed to be the owner of the Interment Right unless the Cemetery approves in writing through a Quit Claim or other legal method of transfer of Interment Rights the transfer or assignment of Ownership in accordance with these Rules and Regulations as they now exist or may hereafter be amended. All interment Rights conveyed to individuals shall, unless stated otherwise, be presumed to be the sole and separate property of the Owner name in the Certificate of Interment Right.

Divorce

8. Upon the receipt of an Order of Distribution or divorce decree by a court having jurisdiction over the estate of a deceased Owner, the Cemetery shall revise its records to reflect Ownership of Interment Rights in accordance with such an Order.

Unused Interment Rights at Death

9. If an Owner dies without having transferred unused Interment Right either by specific devise in the Owner's will or by a written direction furnished to the cemetery, any such unused Interment Rights descend to the heirs at law of the Owner in accordance with the laws of descent and distribution of the State of Pennsylvania, subject to the Interment Rights of the deceased and his or hers surviving spouse. Where such a transfer of Ownership results in multiple Owners of any Interment Rights, each co-owner shall have the right to be interred in any lot of the co-owners which has not been used at the time of that co-owner's death, the consent of the other co-owners shall not be required for such interment; however no co-owner may convey an Interment Right, or authorize the Interment of anyone other than a co-owner, without the consent of all other co-owners of the interment right.
10. Upon the death of a Joint tenant, title to Interment Rights held in joint tenancy immediately vests in the survivor or survivors, subject to the Vested Interment Rights of the remains of the deceased joint tenant.
11. If an owner or record dies without providing a written declaration or specific devise by will, any unused Interment Rights descends to the heirs at law of the Owner subject to the Interment Rights of the descendant and his or her surviving spouse. His or her heirs or devisees should immediately file their Ownership claim and address with the Cemetery in writing. If the deceased Owner left their Interment Space by will to some designated person, certified copy of the will shall be submitted to the Cemetery so that the transfer of Ownership may be recorded.

Transfers

12. No Transfer or assignment of Interment Right, or interest therein shall be valid until accepted in writing by the cemetery on the cemetery's forms and recorded in the books of the cemetery. The Interment Right or interest must be re-conveyed to the cemetery; The Cemetery shall then issue a conveyance to the new owner. The Cemetery may also refuse to consent to a transfer or to an assignment as long as there is outstanding any portion of the purchase price or the deposit required to be made to the Cemetery's care fund due from the record-owner.
13. The Cemetery may fix a charge for all transfers of Ownership. No transfer of Ownership shall be complete or effective until any and all charges are paid.

Additional Interments

14. In order to inter additional human remains in a grave purchased with a single Interment Right, an additional Interment Right must be purchased. These additional Interment Rights must be for cremated Remains only. At the time of the original purchase the purchaser must state the added rights may be purchased for this site.
15. After a full body burial, up to two Cremated Remains may be Inurned (In a 100% biodegradable urn) in the same Lot. The full body burial must be interred first.

VI. Owner's Rights

General

1. Interment Right with in the cemetery shall be used for no purpose other than for the Interment and/or Memorialization of human remains. No Pet interments will be permitted
2. All Interment Right in the Cemetery are conveyed and shall be held subject to (a) all applicable laws and governmental regulations; (b) Charter, or other documents establishing the Cemetery; (c) all by laws and Rules and Regulations adopted by the cemetery.

Vested Interment Rights

3. The spouse, children and parents of the certified Owner of record of more than one Interment Right have vested rights. The spouse of an owner has a Vested Interment Right in the space superior to any other person even if they became the spouse after the rights were acquired. No transfer or other action of the Owner, without the written consent of all owners, divests a Vested Interment Rights. A Vested Interment Right may be released by waiver, terminated upon the Interment elsewhere of the remains of the person in whom vested, or in the case of divorce, unless it is otherwise provided in the divorce decree. No Vested Interment Right gives the right to be interred where any deceased person having a

prior Vested Interment Right was interred, nor does it give the right to have the remains of more than one deceased person interred in a single Interment space in violation of these Rules and Regulations.

Family Plots

4. When an Interment of the Owner or a member of the Owner's family has been made in a Lot, thereafter, unless the Cemetery was otherwise directed in writing by the Owner, the Lots shall be held as the family Lot of the Owner and no Interment Rights therein may be transferred to non-family members unless such a disposition was made by the Owner in a will by a specific devise, or by a written declaration filed and recorded prior to the Owner's death in the Cemetery office. In a family Lot, the following shall have preference as to use:
 1. One Interment Right may be used for the owner's Interment;
 2. One Interment Right may be used by the owner's surviving spouse, if any, who has a Vested Interment Right in it;
 3. If any Interment Right are remaining, the parents and children of the deceased Owner, in order of death, may be interred without the consent of any other person claiming any interest in the Rights;
 4. If no parent or child survives, the Interment Right goes in order of death, (a) to the spouse of any child of record-owner, and in order of death, (b) to the next heirs at law of the Owner or spouse of any heir at law.

Subdivision

5. The subdivision of Interment Rights is not allowed without the consent of the Cemetery and no one shall be buried in any Lot in which the Rights have been subdivided, except by written consent of all parties interested in such Lot and of the Cemetery.

Designation of Interests

6. When there are multiple Owners of Interment Rights, the Owners may designate one or more persons to represent their interests by filing written notice with the Cemetery. Any such designation shall be made in writing and furnished to the Cemetery. In the absence of such designation, the Cemetery shall not be liable for acting on any direction of any co-Owner, provided no other co-Owner has notified the Cemetery of an objection prior to the Cemetery's acting on such direction. The Cemetery may permit an Interment upon the request or direction of any co-Owner without liability.

Transfers

7. Subject to these Rules and Regulations of the Cemetery, Interment Rights are transferable. Upon the receipt of written instructions or a certified copy of a will containing specific devises from the deceased Owner of record, the Cemetery shall restrict Interments to the persons designated in the authorization or devise. The Cemetery will not accept a transfer of a Family Burial Estate after Interment of the original Owner or Owners, except for the Interment of family members or others as designated in writing or by a will by the Owner or by court order.

The Cemetery shall have the right to refuse to consent to a transfer or to an assignment of any Interment Right until the purchase price of the Interment Right has been paid in full.

Exchanges

8. The Cemetery may exchange Interment Rights when desired by Owner, but where there are Interment Rights of lesser value no compensation will be given to the Lot Owner. When such an approved exchange is made, the original conveyance must be surrendered by proper assignment, or by re-conveyance, if considered necessary, before any change is affected.

Additional Interment Rights

9. The Cemetery will allow Additional Interment Rights for Cremated Remains in Graves by family members only when the Cemetery and the Purchaser have agreed to this provision in the original sales agreement.

VIII. INTERMENT REGULATIONS

Natural Materials and Embalming

1. Interment shall be only in or with naturally Biodegradable materials. Metals, plastics, concrete, synthetic materials or large pieces of stone may not be included in an Interment. The Cemetery may, at its discretion, on a case-by-case basis, allow personal jewelry to be interred.
2. Remains that are embalmed or otherwise chemically preserved with substances that are not approved by the Green Burial Council or equivalent environmental standards may not be interred in the Cemetery.

Payment and Burial Authorization

3. All Cemetery charges and fees for Interment Rights and Interment services shall be paid in full before an Interment can be made.
4. Prior to permitting any Interment with the Cemetery, the Cemetery shall require the written authorization of the Owner of the Interment Rights, or co-Owner where co-Ownership is involved, or the next-of-kin of the deceased, their authorized representative or agent for body disposition appointed by the deceased. The management of the Cemetery shall determine the form of such authorization. No Interment shall take place without both an authorization order and a Burial permit signed by the person or person's authorized by law and/or by the Lot Owner or Owners. The same documentation shall designate the location of the Lot to be used.
5. When instructions regarding the locations of an Interment cannot be obtained, or are indefinite, or when for any reason the Interment space cannot be opened when specified, the Cemetery may, at its discretion, open it in such location as it may deem best and proper so as not to delay the funeral.
6. If no provisions have been made for an Interment for a particular deceased, the Cemetery may refuse to accept the remains.
7. The Cemetery relies upon the identification of the deceased provided by the next-of-kin or authorized representative, and shall have no obligation to independently establish or verify the identity of the remains to be interred.
8. Only personnel authorized by the Cemetery shall perform Interments within the Cemetery. All parties must sign a waiver of liability provided by the Cemetery if there is intent to participate in the lowering of a body into the Grave.

Interment Scheduling

9. The Cemetery shall be provided with 48 hours of advance notice of a pending Interment.
10. All Interments shall be completed by 3 p.m.
11. Requests for Interment may be made by telephone, in person, or electronic communication as specified by the Cemetery. The following information must be furnished: (a) name, age and gender of the deceased; (b) Lot and section (c) places of birth and death.

(d) name of Owner of Interment space; (e) name of Funeral Director or responsible party; (f) exact size, type and material of the burial casket or shroud; (g) date of Interment and time of arrival at Cemetery; and (h) name, address and phone number of the next of kin.

12. The Cemetery may postpone or reschedule an Interment if, in the opinion of the Cemetery's management, too many Interments are scheduled concurrently, or because of failure to comply with its Rules and Regulations, inclement weather, strikes, unforeseen underground obstructions, the filing of a protest, or other circumstances beyond the Cemetery's control. The Cemetery shall be under no duty to recognize any protests of Interments unless they are in writing and filed in the Cemetery Office.

Snow

13. If deep snow is on the ground that prevents access to a particular Lot, at the option of the Cemetery, Interment shall be made in an area designated for winter Burial. If the Owner of an Interment Right cannot use the original Lot due to winter conditions, the Cemetery will exchange the Rights for a Lot at the winter Burial area at no additional cost. If the Cemetery complies with the Owner's request to use a snow-covered Lot instead of using a Lot in the winter Burial area, the Owner will pay all snow removal and other extra costs to gain access to that Lot.

Funerals

14. All funerals upon reaching the Cemetery shall be under the supervision of the Cemetery. The Cemetery shall have the right to refuse to proceed with the Interment unless all necessary fees, permits and authorizations are delivered to the Cemetery Office or Cemetery-designated funeral escort.
15. The Cemetery may require all persons attending a Burial to remain at a safe distance, a minimum of 10 feet, from power equipment during the Interment. All parties must sign a waiver of liability provided by the Cemetery if there is intent to participate in the lowering of a body into the Grave.
16. The Cemetery shall make the final determination as to the grading of a Grave and reserves the right to level, fill, re-grade and plant all Graves.

Burial Container Size and Depth of Cover

17. The outer dimensions of a Casket or Shroud must be at least eighteen inches (18") smaller than the Lot dimensions either in length or width as established by the Cemetery from time-to-time. This requirement is for purposes of protection of the adjacent Graves.
18. All full-body Burials must have a minimum of three feet of cover from the shallowest point.

IX. DISINTERMENT REGULATIONS

Disinterment is not permitted due to the nature of the burial and the protection of the restoration of the forest.

X. MEMORIALIZATION

Right to Regulate

1. In order that the improvements and appearance of the Cemetery be kept in conformance with its purpose and philosophy, the Cemetery reserves and shall have the right to regulate the kind, size, design, quality and material of all grave markers, other memorials and foundations which are placed in the Cemetery.

Electronic Memorials

2. The Cemetery shall make electronic memorials available to Owners. The Cemetery reserves the right, at its sole discretion, to change providers of electronic memorials as it deems necessary and desirable from time to time.

Specifications for Grave Markers

3. The specifications for memorials and foundations prescribed by the Cemetery are available in the office of the Cemetery. All memorials and foundations placed in the Cemetery must be in accordance with the specifications of the Cemetery then in effect. Certain portions of the Cemetery have been restricted to designated types of memorials. Information concerning these memorials, restrictions, or other embellishments is available.
4. Grave markers are not required by the Cemetery.
5. Only one memorial may be placed on anyone grave, except with the expressed written permission of an authorized representative of the Cemetery.
6. Memorials will be placed on the undisturbed portion of the grave. Memorials may be placed on other areas of the grave only with special arrangements with the Cemetery management.
7. Markers for the grave sites may be made of stone or wood. Markers may be engraved with the name and dates of birth and death of the deceased. The stone used for markers should be similar in color and nature to the rocks indigenous to Central Pennsylvania. Pressure treated wood shall not be used.
8. Markers shall be no more than eighteen (18) inches deep.
9. Markers, if any, must be installed only on the grave or Lot(s) owned by the deceased or their family. The name and inscription on each memorial must correspond with the legal name of the deceased interred in that grave or only memorialized on that grave in cases where there is no interment. (See Cenotaphs.)

Size of and Style of Memorial

10. The size and style of memorials will be subject to the specific requirement of each Cemetery Lot:

- In Meadow areas, memorials must be placed flush to the natural grade.
- In Woodland areas, memorials may be flush to ground not to exceed 250 square inches or river rock or boulders not to exceed 200 pounds or 24" long by 12" tall for a single grave. A double or joint lot can have up to 400 sq. inches when flushed to the ground or up to 300 pounds for a 30" long by 12" tall boulder or river rock.
- No quarried monuments are allowed in any of the Green Burial Sections. All monuments must be unquarried natural stone which would complement the surrounding environment such as river rock or boulders. No concrete foundations are allowed. All delivery of such monuments must be approved and coordinated with the cemetery office personnel.
- For a Family Burial Estates, larger markers or memorials may be approved by the Cemetery.
- For designated cremation graves (24" x 24"), the exposed surface area of the flush marker shall not exceed 100 square inches. The maximum dimension of a flush memorial shall not exceed 12 inches. The maximum thickness shall be 6 inches.

Prior Payment

13. All Cemetery charges and fees for Interment Rights, memorials, endowment or perpetual care, memorial installation inspection fee and other applicable charges and fees must be paid in full before any memorial or foundation may be placed on any Lot within the Cemetery. Any memorial which is placed prior to full payment of all such charges may be removed by the Cemetery, at the Owner's expense, if full payment is not made within ten days of demand thereof.

Installation

14. No memorial shall be placed on or removed from the Cemetery without the prior written authorization of the Cemetery, and of both the Owner of the particular Lot and the deceased's next-of-kin, or their respective authorized representative(s), except if and to the extent necessary for purposes of routine maintenance and landscaping.

In the event a memorial, or other object is placed or constructed in the Cemetery without the prior authorization of the Cemetery and other appropriate persons as provided herein, the Cemetery reserves and shall have the right, at the Owner's expense, to remove any unauthorized memorial or other object.

The Cemetery reserves the right to specify the date and time for any installation of a memorial by a contractor.

To protect the restoration of the forest all deliveries must have a Cemetery Employee Present.

Inspection

13. There shall be submitted to the Cemetery for approval a drawing, sketch or other adequate description of each memorial or foundation specifying material, size, inscription, and name of the manufacturer prior to receiving authorization to place any memorial or foundation within the Cemetery.

If any memorial, structure, or any inscription to be placed on same, or any embellishment whatsoever, shall be determined by the Cemetery upon inspection to be offensive or improper, the Cemetery reserves and shall have the right to (a) refuse to authorize the placement of such memorial or object; or (b) if already in place, the Cemetery shall have the right, at the Owner's expense, to remove, change or correct any such offensive or improper memorial, object or inscription.

The Cemetery reserves and shall have the right to inspect the completed installation of any memorial performed by contractor(s) and determine that the installation was performed completely and in accordance with the Cemetery's specifications and installation requirements. If the Cemetery determines that the installation was not completed or properly performed, it shall notify the contractor and require that any deviations from the specifications and installation requirements of the Cemetery be expeditiously corrected. If any deviation is not immediately corrected, the Cemetery may make such corrections and charge the Owner for such remedial work. If it is not possible or practical to correct the deviation, the Cemetery may, in its discretion, remove the installation.

Stop Work

14. The Cemetery reserves the right to stop all work of any nature, whenever, in its opinion, proper preparations have not been made, or when tools and machinery are insufficient or defective, or when work is being executed in such a manner as to threaten life or property, or when any reasonable request on the part of the Cemetery has been disregarded, or when work is not being executed according to the Cemetery's specifications and installation requirements.

Any contractor who willfully violates the Rules and Regulations, specifications or installation requirements of the Cemetery may be prohibited from performing any further work in the Cemetery.

Repair, Replacement or Correction

15. The Cemetery will not maintain grave markers and is not responsible for wear and tear, damage, deterioration or weathering. Should any memorial become unsightly, dilapidated or a nuisance, the Cemetery shall have the right, at its option, to repair, remove, or replace the memorial. The cost of any repair, removal or replacement shall be paid by the Owner of the Interment Rights.

Responsibility for Third Party Work

16. The Cemetery shall not be responsible for any defects in material or workmanship, errors or omissions relating to memorials or foundations purchased from and/or installed by persons or entities other than the Cemetery.

Plantings as Memorials

17. The following Spring or Fall after the interment a living memorial will be placed on the grave of the decease. Family is invited back to participate in this event. The living memorial may consist of a tree, shrubs or groundcover or a combination of.

18. The family may elect to upgrade their plants by contacting the cemetery to make these arrangements. There may be an additional charge to do this. Donations of plants are accepted in memory of the deceased as long as the plants are on **our list** of "Qualified PA Plants."

A record of memorial plants-by whom, for whom, and when given-will be maintained by the Cemetery and available in the Cemetery office.

All plantings shall be native to Central Pennsylvania and appropriate to the micro-climate of the Cemetery and be done by the Cemetery and its employees or contractors. Placement will be according to the approved Cemetery's landscape plan which is designed to enhance the natural environment and habitat and to further the purpose of the long term restoration of the land.

The Cemetery shall have the sole discretion as to all matters regarding landscaping and plantings, including landscaping plan and care, pruning, re-vegetation of graves, and removal of vegetation. Any unauthorized plantings will be removed.

Floral Displays

19. No more than two floral displays from a funeral are permitted to be left behind after the interment service at the Cemetery. All fresh cut flowers are welcomed but all plastic wrapping and plastic containers (manmade synthetic products) must be removed prior. The Cemetery reserves the right to remove all flowers, wreaths, or other natural decorations without notice as soon as they become unsightly.

Unauthorized Objects

20. Plastic or artificial flowers or arrangements, vases, firearms, flags, photographs, or manufactured items shall not to be placed upon the grave sites or the Cemetery property. These items are not compatible with or further the purpose of the Cemetery's natural burial ground objectives. Such items, if left upon a grave, will be removed at will by the Cemetery, without liability. US flags may be placed on graves no more than 7 days before or left on graves 7 days after the Memorial Day, Veterans Day and Independence Day holidays.

XI. CONTRACTOR REQUIREMENTS

Indemnification Agreement

1. Prior to performing any work within the Cemetery, contractors must execute and deliver to the Cemetery an Indemnification Agreement in the form prepared by the Cemetery which is available from the Cemetery.

Insurance

2. Prior to performing any work within the Cemetery, contractors shall obtain and furnish to the Cemetery satisfactory evidence of the following:
 - a. Workers' Compensation insurance.
 - b. Automobile liability insurance covering owned, non-owned, borrowed and hired vehicles, in the amount of at least \$1,000,000 for each occurrence of bodily injury or property damage (Combined Single Limit Coverage)
 - c. Comprehensive general liability insurance covering premises operation, contractual liability, products, and completed operations in the amount of at least \$1,000,000 for each occurrence of bodily injury or property damage (Combined Single Limit Coverage).
 - d. A Cemetery Compliance Bond in the amount of at least \$1,000 guaranteeing that work performed by contractor is in accordance with the Cemetery's specifications and its Rules and Regulations.
 - e. Employer's liability insurance in the amount of \$1,000,000. Such insurance policies shall name the Cemetery as an additional insured and provide that the Cemetery shall be notified thirty (30) days in advance of any cancellations or material changes of said insurance coverage or bond.

Waivers

3. The Cemetery may waive any or all of the foregoing insurance and bonding requirements upon proof, to the satisfaction of the Cemetery, of the contractor's financial responsibility.

Work Requirements

4. No vehicles will be allowed on The Cemetery sections.
5. Any damage to The Cemetery sections or memorials, to include tracking wheel marks will be corrected on the spot by the person causing the damage.

6. When the Cemetery is to install a memorial, an installation fee must be paid before the memorial is set.
7. The foundation dug for the memorial will be the size of the memorial and not larger – No concrete is allowed in the green burial area – it will consist of crushed stone or recycled stone matter. The cemetery is the only one allowed to do foundations.
8. All natural planting, dirt and other debris will be removed from the grave site upon completion of the installation. If the natural planted material must be removed for installation of the monument the cemetery management reserves the right to dig up the plants and replant them elsewhere on the property. The area around and near the setting of a memorial will be in a neat appearance upon completion of its setting.
9. In the event the opening of a grave space and setting of a memorial are so close that one must wait, then the grave opening holds priority over the setting of the memorial, even though prior notice was given. If a memorial setting must be stopped due to a funeral service, then motor or electrical vehicles used for the setting will be removed from the sight of the funeral.
10. The Cemetery Superintendent or designated Cemetery employee will decide if weather conditions have caused the ground to be too wet for a proper memorial setting or for travel to the site of the memorial placement.
11. All memorials set will be in accordance with the development guidelines of each section.

The Cemetery will not be responsible for memorials that are rejected for installation, because they did not meet the required specifications.
