Ciao,
It is our pleasure to offer you food that has been prepared with love and care from simple ingredients. We will never use artificial flavors colors or preservatives.

Many items we carry are not found locally as we work with artisans directly in Sicily from various towns on the island with specialties known world wide.

You may recognize, from your visits to Sicily, items that will bring you back to that place you enjoyed during your visits.

Come in, look around and ask us about those flavors and aroma's you wished you could find, you may find them here!
