March 2018

Dear Families,

They say that March comes in like a lion and goes out like a lamb. With the number of snow days that we have had this year, I am sure that you join me in wishing for the end of March lamb all month long.

## Seeking Part-time Work?

We are always in need of substitute teachers. If you hold a Bachelor's degree, love working with children and are seeking part-time work, consider submitting an application for substitute teaching.

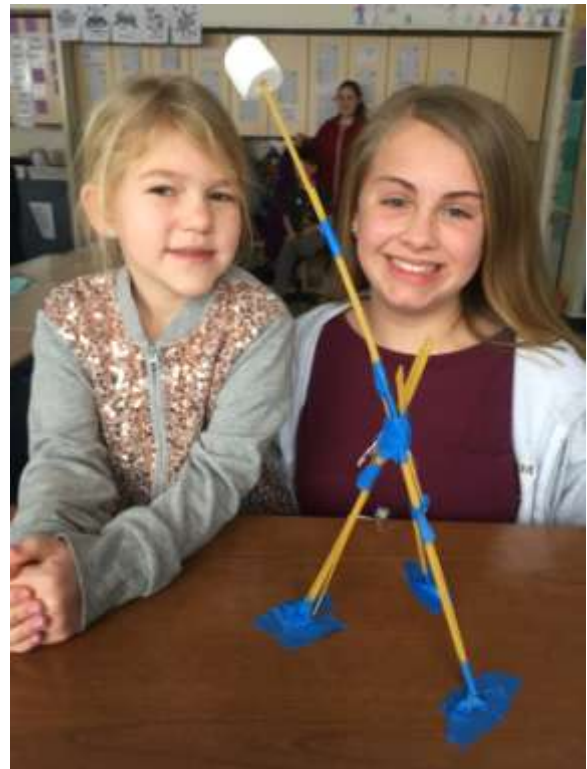

## Dates to Remember:

- March 2<sup>nd</sup> - 7 PM Resilience Movie in the library
- March 2<sup>nd</sup> - 7:00-9:00 Grades 7 & 8 Hope for Haiti Dance

- March 7<sup>th</sup> - PTO Meeting at 6:30 PM in the Conference Room
- March 22<sup>nd</sup> - Early dismissal at 12:30 PM for Parent/Teacher Conferences
- March 23<sup>rd</sup> - Early dismissal at 12:30 PM for Parent/Teacher Conferences
- March 30 - No School

Best regards,  
Susan Imschweiler, Principal

## 8<sup>th</sup> Grade March 2018 News

### February Freeze:

Thank you again to all who helped to organize and either participated in or attended the February Freeze on Saturday, February 3. Though the weather was cold, it was great to see so many runners, joggers and walkers (200+ registered) from the PCS community, Pomfret, and beyond.

### High School Choice:

Students will have met with Academy Counselors by the time you receive this newsletter to begin planning their schedules for next year.

### Progress Reports/Parent Teacher Conferences/Report Cards:

Just a reminder: the second trimester ends on Friday, March 9. Parent-Teacher Conferences are being held March 22 and 23. We look forward to meeting with parents to discuss the Second Trimester results, high school choices and end-of-the year class business. Please be on the lookout for the Conference request forms which will be coming home soon.

### Washington News

We are continuing with preparations for the Washington D.C. trip May 1 – May 4, 2018. Account updates were mailed home in December. Final account balances will be sent in the next week. The balance **MUST BE PAID** no later than **THURSDAY, March 29, 2018**. If you have any questions regarding the trip, finances or fundraising please contact Mr. Galligan, Mrs. Cleverdon, or Mrs. Zdanys at the school.

## Attendance Reminder:

Punctuality and regular daily attendance in school is the legal responsibility of parents/guardians in Connecticut schools. The Pomfret Community School Handbook states:

Students who are not in their homeroom by 8:30 A.M. are considered to be tardy and must report directly to the main office. Students are allowed to be tardy three times per semester. Any student who is late more than three times will receive a detention for each tardy beyond three. A detention may be waived by an administrator if the cause of the tardiness is unavoidable.

Arriving late to school is disruptive to the classroom environment and your children are missing important information shared in the morning, work that may be required prior to the start of daily lessons, and/or direct teacher instruction and interventions.

Please remember that bus transportation is provided to all students and that no student that rides the bus will ever be considered to be late or tardy. If you choose not to have your student(s) transported by bus, students may be dropped off starting at 8:00 A.M. at the cafeteria entrance and that adult supervision is provided.

Thank you in advance for your cooperation.

~Mr. Galligan

**\*\*\*Correction: Jessica Stolarek received RECOGNITION in Grade 6, Mrs. Abram's class for the 1<sup>st</sup> trimester. We apologize for the omission.**

The four team members who competed were eighth graders Zachary Roethlein, Graham Scribner, and Zack White and seventh grader Camilla Tahirova. Out of 25 schools participating, the team ranked in tenth place.

Competing as individuals were seventh graders Braedon Emerson and Jerson Suarez.

***Special congratulations go to the captain Zachary Roethlein who advances to the state competition!***

Other mathletes that have been practicing all year but were not able to attend the competition include eighth grader Zach Stoddard, and seventh graders Vince Bastura, Curtis Desabre, Maya Gerum, Hadley Grether, Talia Jessurun, Hannah Johnson, Olivia Mawson, and Stephanie Shpak. The Pomfret School Community is very proud of all of our mathletes and all the math teachers that helped them along the way. Thank you to Ms. Elizabeth Pierce-Fortin, Math Counts coach, for grooming these students for competition and organizing the trip. Additional thank you's

got to Mrs. Lori Patrylak and Ms. Amie Hale for helping chaperone the event.

**The MATHCOUNTS Competition Series** is a national program that provides students the opportunity to compete in live, in-person contests against and alongside their peers. Created in 1983, it is the longest-running MATHCOUNTS program and is open to all sixth-, seventh- and eighth-grade students.

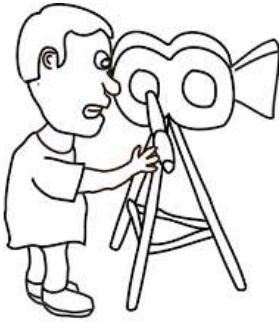

### **How Does It Work?**

The Competition Series has 4 levels of competition—school, chapter, state and national. Each level of competition is comprised of 4 rounds—Sprint, Target, Team and Countdown Round. Altogether the rounds are designed to take about 3 hours to complete.

- **Sprint Round:** focuses on speed and accuracy. Students have 40 minutes to complete 30 math problems without a calculator.
- **Target Round:** focuses on problem-solving and mathematical reasoning. Students receive 4 pairs of problems and have 6 minutes to complete each pair, assuming the use of a calculator.
- **Team Round:** focuses on problem-solving and collaboration. Students have 20 minutes to complete 10 math problems, assuming the use of a calculator. Only the 4 students on a school's team can take this round officially.
- **Countdown Round:** focuses on speed and accuracy. Students have a maximum of 45 seconds per problem without a calculator. This round is optional at the school, chapter and state level.

*"At PCS we care for ourselves, for others, and for our school."*

**The State Competition** will be held:  
Saturday, March 10, 2018  
University of Hartford  
200 Bloomfield Ave.  
West Hartford, CT 06117

## WHAT'S THAT YOU HEARD?

While we can't say that everything you've heard is true, this is; through a grant and the generous support of the Pomfret's own PTO, PCS will be launching the premiere episode of its own 60 Minute style television news program later this year! Much of the equipment has arrived and we are anxiously awaiting the beginning of filming.

With the help of teachers, a number of segments have been planned including interviews, man on the street, Spanish storytellers, the 1<sup>st</sup> Grade Talent Show, and Andy Rooney-esque monologues. I'd be fibbing if I didn't say that there were really too many things going on to cram into one

episode. Already our Art department has begun work on lower-thirds with grades 3-6 as our Music department has with the 7<sup>th</sup> and 8<sup>th</sup> grade band practicing the theme music.

In the near future, there will be a job/task posting board for our 7<sup>th</sup> and 8<sup>th</sup> grade students to sign up for. In the show's formative years, teachers will be instrumental in its success; however, over the next couple of years, the students will grow into running the lion's share of production. These are exciting times!

~Mr. Martel

## The Book Fair is Coming!

The library will be holding a book fair the week of parent teacher conferences, March 19 – 23. We do not use Scholastic, so you will not be getting a promotional flyer. Students will have a chance to visit the fair to make a "wish list" at the beginning of the week, either during their regular library time or at a time that has been arranged by their teacher. They are free to buy books at any point during the week, again either

*"At PCS we care for ourselves, for others, and for our school."*

March 2018

during their library time or at a time that works in their classroom schedule. In addition, the book fair will be open Thursday night until 8:30 and Friday until 2:00 for parents to come when they are here for conferences. Books make an awesome reward for a good report card!

Due to the book fair “taking over” the library, we do not do regular library book circulation. Please do not have your children bring their library books back that week.

We would love to have parent volunteers to help during book fair week. It gets very busy at times, as there is often both a library class and additional students at the fair, so an extra pair of hands or two is always welcome. If you have time available to help either during the school day or Thursday evening, please email me at [peyton@pomfret.ctschool.net](mailto:peyton@pomfret.ctschool.net).

The library is also looking for volunteers outside of book fair week. If you have some time available that you would love to spend repairing and shelving books, making displays, or doing other activities, please email me.

### Spotlight on Staff Members 2017-2018

This year, we're featuring members of the Pupil Services Department. It's always helpful to connect names and faces.

#### SPECIAL EDUCATION TEACHER

##### Mrs. Andra Lucas

Mrs. Lucas has been an educator for twenty years, with almost half of that time being spent at Pomfret Community School, where she has taught students in grades 2 – 8. Prior to becoming an educator, Mrs. Lucas worked in the corporate world where she was involved in an inner city school mentoring program. This experience confirmed her deep desire to teach and shortly after, she made the career change to become a teacher.

Mrs. Lucas holds degrees in Business Administration, English, and Special Education. In addition to her love of teaching, she also enjoys learning. She is currently attending Sacred Heart University doing post graduate work.

Mrs. Lucas is an avid equestrian who lives on a small farm with her husband, daughter, horse, and donkey. On the weekends, she can most likely be found at horse events, coaching and grooming for her daughter and other young riders.

As you may know, you can contact Mrs. Lucas at this email address: [lucas@pomfret.ctschool.net](mailto:lucas@pomfret.ctschool.net).

## Healthy Reminders

### Fifth Disease

Fifth Disease (erythema infectiosum) is a viral illness caused by the human virus Parvovirus B19.

Fifth Disease is usually a mild illness that is spread by respiratory secretions. It is a viral illness that mostly occurs in children and is known for a typical rash that resembles “slapped-cheeks.” The rash may spread to other parts of the body as well. Other cold-like symptoms may be observed before the rash breakout including low-grade fever, mild headache, joint pain, or fatigue. Once the rash appears the child is most likely no longer contagious.

Especially common in school age children this illness is associated with cold-like symptoms and a rash that appears a few days later. The red rash typically begins on the face. A person with parvovirus infection is most contagious before the rash appears - either during the incubation period (the time between infection and the onset of symptoms) or during the time when he or she has only mild respiratory symptoms.

Fact sheets from the State of Connecticut DPH and the CDC can be found in the links below which include information about cause, transmission, and course of the illness as well as adult exposure during pregnancy. **Anyone who may be pregnant, immunocompromised or has a**

**blood disorder should contact his or her physician for medical advice.**

Please [click on this link to the State of Connecticut Department of Public Health](#) for information about cause, transmission, and course of the illness as well as facts about adult exposure during pregnancy.

Please [click on this link to the CDC](#) for more information on Fifth Disease.

Additional information from the CDC: [Parvovirus B19 and Pregnancy](#)

Flu symptoms can be mild or severe, and can come on suddenly.

Symptoms of the flu include chills, fever, aches, and tiredness.

The common symptoms of the flu include:

- **Fever** (100°F or greater)
- **Headache**
- **Muscle aches**
- **Chills**
- **Tiredness**
- **Cough**
- **Runny nose** (more common in children than adults)

If you have one or more of these symptoms, it could be the flu.

## Healthy Reminders

\*\* Tooth Brushes should be changed every season. They should also be changed or cleaned after an illness.

### Keep Your Inhaler Clean

This should be done regularly, when you are sick, or when you can see white buildup around outlet.

- Rinse the spacer and the inhaler jacket in warm water daily.
- Let them dry overnight on a paper towel.
- Disinfect them as necessary in a solution of vinegar and water.

**A Slick Trick for Ticks** When you remove a tick with tweezers, sometimes the head breaks off and remains embedded in the skin. Here is a simple, painless method for removing ticks without leaving any parts behind: Moisten a cotton ball with a little water and rub it on a bar of soap. Cover the tick with the soapy cotton and gently rub COUNTERCLOCKWISE. (For some reason, the tick

stays in the skin if you rub in the other direction.) After a few circles, you will find the tick intact on the cotton ball. This technique never fails, doesn't hurt, and can be done at home by the patient or parent. Finish by washing the site with more soap and water and applying an antiseptic.

## Music Department News

As we are coming up on our second concert season of the year, I wanted to send home a reminder about some important information.

On **Thursday May 24 at 6PM** all members of performing ensembles at PCS (the list is below) will be showcased in our winter concert! That includes more than 150 students ranging from third to eighth grade! Students in the following ensembles will be performing (*in no particular order*):

- 5<sup>th</sup> and 6<sup>th</sup> Grade Girls' Chorus
- 6<sup>th</sup> Grade Band
- 7<sup>th</sup> and 8<sup>th</sup> Grade Chorus
- 7<sup>th</sup> and 8<sup>th</sup> Grade Band
- 5<sup>th</sup> and 6<sup>th</sup> Grade Boys' Chorus
- 5<sup>th</sup> Grade Band
- Morning Doves
- Jazz Band

Participation by all members of these groups is expected. Of course, in emergency situations or unavoidable conflicts, an excused absence will be granted. An excused absence from the concert must be arranged with Mrs. March in advance.

Our student musicians have been working so hard and are making great progress toward their spring concert.

Look for more information regarding concert attire and other expectations as the event draws nearer.

Thank you for your ongoing support of the music department at PCS!

### New Car Seat Requirements Under PA 17-230

By: Heather Poole, Associate Analyst  
September 27, 2017 | 2017-R-0223

#### Issue

Provide a plain language summary of the car seat provisions enacted in [PA 17-230 \(§ 11\)](#).

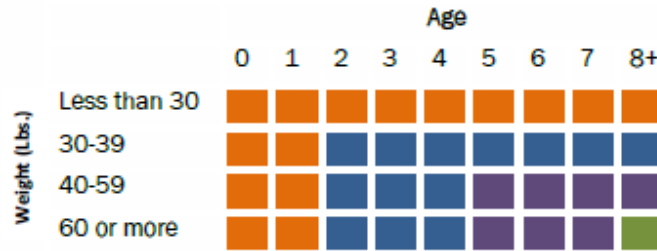

#### Summary

The new car seat law increases the age and weight thresholds for car seats and generally requires that car seats be equipped with five-point harnesses. Under this law, there are four categories based on a child's age and weight, and each category provides one or more car seat options. If a child falls into either the age or weight range in a given category, he or she must be transported in one of the car seats allowed under that category. If a child's weight and age fall under two different categories, he or she must be transported in a car seat that is an option under both of the applicable categories. Therefore, in effect, the more restrictive car seat requirement applies.

Chart 1 illustrates the new law's requirements, effective October 1, 2017. As under prior law, car seats must meet Federal Motor Vehicle Safety Standards ([Conn. Agencies Regs. § 14-100a-1](#)).

**Chart 1: New Car Seat Requirements**  
(PA 17-230, § 11, Effective 10/1/17)

Category	Age Range	Weight Range	Car Seat Options
1	Under 2	Under 30 lbs.	Rear-facing seat with five-point harness
2	2 to 4	30 to 39 lbs.	Front-facing or rear-facing seat with five-point harness
3	5 to 7	40 to 59 lbs.	Booster seat with seat belt or any of the above listed restraints
4	8 or older	60 or more lbs.	Seat belt or any of the above listed restraints

## Children Who Fall Under Two Categories

In some cases, a child’s weight and age may fall under two different categories. In these cases, a child must be transported in a car seat that is an option under both of the applicable categories. Therefore, in effect, the more restrictive requirement applies. Put differently, a child must meet both the age and weight criteria under a category in order to use the less restrictive car seat option.

For example, a boy who is 18 months old and weighs 32 pounds falls under Category 1 (rear-facing seat with five-point harness) because he is under age two. He also falls under Category 2 (front-facing or rear-facing seat with five-point harness) because he is between 30 and 39 pounds. Although the boy has two car seat options based on his weight, he has only one based on his age. Therefore, the only way to comply with the law is to use the seat that is an option under both categories: a rear-facing seat. He may not use a front-facing car seat until he turns two.

## Prior Law

Prior law required children under age one or weighing less than 20 pounds to be secured in a rear-facing child restraint. It required children age (1) six and younger or weighing less than 60 pounds to be secured in a child restraint (e.g., car seat or booster seat) that met federal motor vehicle safety standards and (2) seven or older and weighing at least 60 pounds to either use a restraint or wear a seat belt.

## Penalties for Violations

Existing law, unchanged by the act, subjects individuals who violate the car seat requirements to penalties. A first violation is an infraction and a second violation is punishable by a fine of up to \$199. Each subsequent violation is a class A misdemeanor.

The Department of Motor Vehicles (DMV) commissioner must require anyone who commits a first or second violation to attend a DMV-approved child car seat safety course. If a violator fails to attend or successfully complete the course, the commissioner, after providing notice and an opportunity for a hearing, may suspend his or her driver's license for up to two months ([CGS § 14-100a\(d\)](#)).
