Post your property with data-backed tools

Farmland sale transactions appear with your Free account on Terva.

Customer reviews appear with your Google My Business listing on Google Search and Maps. Reviews can provide valuable feedback about your business, and responding to reviews can build trust. In order to reply to reviews, your listing must be verified.

For help, visit the Google My Business Help Center: support.google.com/business

Monitor land values

How much is your farmland worth? Having a complete understanding of the current market is essential for commanding fair-market-value. Visit www.terva.ag/myland and click the **Get my free report** button. You'll receive a complete report of up-to-date market information and data that pertains to your individual field.

Post your land for sale or rent

Visit www.terva.ag/business and select the **My Account** button to sign in. Search from 2,500+ past sale transactions that are updated monthly from all 99 Iowa counties.

When posting, we'll back your listing with data:

- Aerial imagery
- Local land values
- Soil maps
- Crop history

Comparable sales are only available for Standard and Enterprise accounts. Select the **Upgrade** button and use the promotion code: FARMLAND-14 for your 14-day full-access free trial.

Advertise your listing

Get connected directly with the seller or listing agent for each sale transaction.
