10- Point Board Service Understanding

Applying and agreeing to serve on the board requires a clear understanding of your responsibility to:

Attend most board meetings as well as special events

Develop a deep understanding of the Village School mission and values

Take on special assignments and serve on at least one committee

Participate in ongoing recruitment by suggesting valuable nominees to the board

Stay abreast of developments and come prepared to meetings

Work collaboratively and constructively with other board members

Commit time during the month to board service

Continually evaluate your compliance with this understanding

Consider making a financial contribution to the organization if you are able

Make room for others if you cannot comply with this understanding*

* If you experience changes in your life that make you unable to live up to this commitment, will you voluntarily resign in a timely fashion? Would you also be willing to help recruit, prepare and groom your replacement, if needed?

Please agree to the terms of the 10-point understanding, by initialing the statement below:
