2018-2019 Supply Contribution

The Village School supplies high quality pencils, crayons, paint, watercolor paper, main lesson books, beeswax, wool yarn, knitting needles, cotton fabrics, P.E. equipment, and much, much more for each student.

We request that families make a contribution of \$80.00 per student to help supplement the school's supply budget which averages \$100.00 per student.

Your contribution will partially cover the cost of your student's supplies for the school year. Family contributions are a necessary part of our budget and allow us to continue to supply these high quality items for your children. If you have an older student, you may also receive a supply list from your teacher, as students' supply needs increase as they go through the grades.

We greatly appreciate all contributions. A contribution at the beginning of the year of \$40 followed by another \$40 during the winter or spring term is one option for those who are unable to give the full amount at once.

As well, if you are able to contribute more than \$80 per student please consider doing so. This contribution is non-refundable and tax deductible.

While checks and cash are preferred, payment can be also made on our website using a credit card or bank debit card. Go to <http://happyvillage.org/support-us> and follow the link to pay with Credit Card. You will be forwarded to the website for the non-profit [Network For Good](#) where your donation will be recorded.

Thank you in advance for helping to sustain our vision for providing high quality supplies to students of the Village School.

*** Please note that in addition to supply costs, the Village School also requests contributions towards selected field trips, especially for grades 3-8. These include events like the Greek Games (grade 5), Medieval Games (grade 6) and special overnight trips for the 7th and 8th grades. These amounts vary by class trip.
