

Northwest Exposures Photography

August 2018

Dear Village School Families,

School photographs will be taken this year by Judi Lamb of Northwest Exposures Photography. She has years of experience working with children of all ages and producing individualized portraits. Judi and her assistant will be photographing outdoors on the school campus **September 11th, 12th and 13th**. Your class teacher will inform you which day your student's class will have photos taken.

Schedule, Preparation, and Absences

You may wish to help your student prepare with any grooming or clothing considerations. Children, like most of us, vary widely in their feelings about being photographed. To help your young child to get in the mood for “picture day,” you may wish to involve them with choosing clothes or participating in other aspects of getting ready to have their pictures taken.

Note: Since we photograph the class as a group, if your student misses the class photo, it *cannot* be retaken and, unfortunately, your student will not be part of it.

Ordering and Payment Information

You will receive your school photos order form shortly. Return the order envelope to your child’s teacher by **Monday, September 10th**.

Payment must be included at the time of order. Orders for multiple children may be paid together in a single order envelope, however, we ask that an envelope be returned for each child. Please indicate on the order form that you are ordering for multiple students. Also, please make sure all info is legible.

Order Delivery

Northwest Exposures plans to deliver print orders the beginning of October. If your student misses the opportunity to have an individual photo taken, there is an

additional opportunity during our **Make-up and Retake Day, Sunday October 14th**. We'll photograph any children new to the school, or who missed photo day, and will do retakes for those less than satisfied with their student's photo.

About our Packages, a la Carte Prints, and Display Options

We have tailored our offerings based on years of experience and feedback from schools and parents. We have found that families want flexibility and choice.

Accordingly, we offer both a la carte – individual photos – along with high value packages, including some with framing. Be sure to check out our larger prints, which add a contemporary look to any living area of your home.

Choices also include *style* – color, classic black and white, sepia toned or a mix within your package. In addition to offering you a choice of styles, you may choose a custom print size other than those listed, with or without frame and mat. Frame orders come ready to hang.

All of our prints are made using a state-of-the-art archival printing process. They will retain their beauty over many decades, without fading or yellowing.

Family Portrait Photo Sessions

Northwest Exposures will offer a **Family Portrait Special, Sunday, October 14th**. We're offering a discount session rate of \$95 (regularly \$195). This will be an opportunity for your family (pets, too!) to get a jump start on Holiday photos, or to get your annual family portrait. More information will be forthcoming as the date draws near. If you have questions now or wish to get on the schedule ahead of time, feel free to contact us.

Questions or concerns? Let us know!

Cheers,

Judi Lamb (photographer)

Joshua Daniels (production)
