

# Sunshine Bible Academy

## 2018-19 Enrollment Information

### Enrollment Procedure

Students must be enrolled (or re-enrolled) each year, with a signed enrollment agreement required for each year. Enrollment is opened in April for the following school year.

### Registration Fees

Registration fees are non-refundable and must be paid annually before enrollment is complete. **The fees are as follows, per student:**

|             |       |
|-------------|-------|
| Grades K-6  | \$100 |
| Grades 7-12 | \$150 |

A \$50 late fee is added to returning students registered after June 15.

### Tuition Actual Cost

The actual cost of educating students at Sunshine Bible Academy is roughly twice the cost of tuition. Since its founding, SBA has made it a point to keep tuition as affordable as possible so that cost will never be a reason for a family not to enroll their student at SBA. Thus, through the generosity of supporters of the SBA general fund and those who partner with us through the SBA Livestock Program, each and every family with students at SBA already receive some financial assistance.

We would ask that you prayerfully consider paying the full cost of tuition, or supporting our general fund, if you are able to do so.

### Tuition Assistance

We realize that even with the automatic assistance described above, some families still cannot afford to pay the cost of tuition. The Lord has blessed SBA with faithful patrons who have designated funds to assist qualified students and their families in tuition payments.

SBA utilizes the Financial Aid for School Tuition (FAST) program through Independent School Management. FAST will provide SBA with need-based financial aid analysis service, which ensures that our process for establishing financial need adheres to nationally established standards of best practice. All information from FAST is kept confidential, as is all information pertaining to a family's financial aid request.

### Boarding Tiers

Five-day boarding students will go home most every weekend, while seven-day boarding students will remain at SBA most weekends. There is no additional charge for five-day boarders who remain at SBA for school functions. Additional information is available in the Admissions FAQ.
