## PROGRAM COMMITTEE NOTES

**12 October 2017** -- The continuing saga of having a member of Hospice of the Chesapeake speak to us this month has changed to perhaps our February meeting. We can have our Love Quilt demos in June. So, this month, because we have so many new members, I thought it would be good to have a "Get to Know You" day. Some of us need to put a name with a face. This includes **ALL** the members of Eternal Quilters. I know there are some of you who do not like to speak in front of a crowd,,all we need is for you to introduce yourself. If you wish, you can tell us a little about yourself (how long have you been quilting, where you live, what other quilt guilds you belong to, etc). This should be fun getting to know all of you.

**9 November 2017** -- **Mary Kerr**, from Woodbridge, Virginia. Her lecture is "Twisted, Modern Quilts with a Vintage Twist".

*Jane Humphrey*
