

FUN ON THE FARM

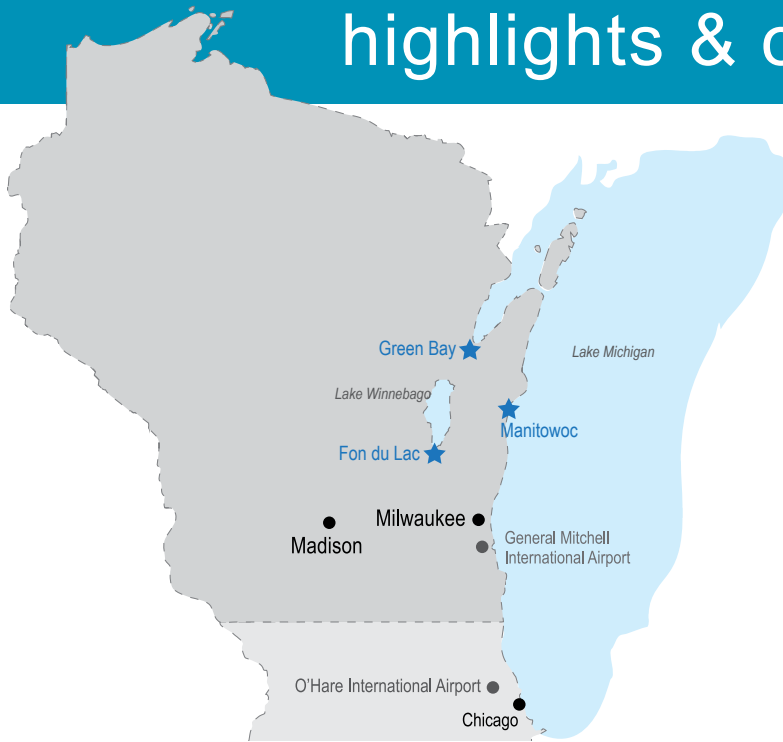

in the Lake Winnebago Region

Your agricultural adventure begins with sights and sounds of life on the farm. Go beyond the barn and tour local farms to learn about sustainable practices, farm to table products, and seasonal produce. Rolling hills of green and sunsets over the lake await—Fond du Lac and the Lake Winnebago region are here for you to explore and enjoy.

WISCONSIN
LEADS THE STATES IN
GOAT MILK INVENTORY
AND IS THE LEADING PRODUCER
OF GOAT CHEESE IN THE US.

highlights & options

- Tour a sustainable Wisconsin dairy farm showcasing two 80-cow carousels
- Discover the unexpected on a ranch run by nuns
- Take a wagon ride through the orchard and indulge where apple treats are plentiful
- Get up close and personal with goats and discover a one-of-a-kind milking facility and on-site creamery
- Savor the flavor of hand-dipped ice cream made on the homestead

- Visit the ranch of the famous Clydesdales, where the grand stand show is sure to impress
- Explore Wisconsin's premier agricultural education center showcasing how food gets from field to table, and watch as baby calves are born daily
- Watch the cheese-making process live and sample many of the fresh-made cheeses
- Don't miss a boat tour through the everglades of the largest freshwater cattail marsh in the United States
