Welcome from the Canadian Underwater Games Association Bienvenue de l'Association Canadienne des Jeux Sub Aquatiques

On behalf of the Canadian Underwater Games Association, it is my pleasure to welcome all participants and volunteers to the 20th CMAS Underwater Hockey World Championships in Quebec City. We are once again proud to hold this prestigious event in Canada and are excited to showcase Quebec City as the host.

With a vibrant and colourful history to share, Quebec City is an ideal place to explore during your stay. Be sure to visit the European-inspired old part of the city – a UNESCO World Heritage Treasure site – as well as Chateau Frontenac, one of Canada's most recognizable landmarks. If great food and drink is your thing, Quebec City will not disappoint. Delicious microbreweries, bars and restaurants are plentiful! We hope you enjoy your stay and have a fantastic competition full of fun and challenging games.

If you're a volunteer working hard to make this event a success – thank you!

If you're an athlete here to compete – best of luck and we look forward to seeing your success!
