Facials

All facials include the use of our relaxation lounge before and after your treatment.

Illuminating Radiance Facial 30 min ..................................................................................................................... $49
Reveal your skin’s beauty and radiance in just 30 minutes! The facial begins with a relaxing cleanse and exfoliation to awaken the skin then the skin is treated to a mask, serum and a skin-type appropriate cream, leaving the complexion fresh & glowing.

Heart of the Ocean Facial 50 min .......................................................................................................................... $75
In this personalised signature facial the skin is gently cleansed and exfoliated to achieve maximum absorption of active marine ingredients. After a relaxing facial massage not one but two highly concentrated masks are applied to deeply hydrate. At the end of your treatment the skins complexion is restored to its natural beauty.

Marine Infusion Mask ........................................................................................................................................ $10

Collagen Anti-Aging Facial 60 min ........................................................................................................................ $85
Give your skin a collagen boost and correct the signs of ageing as they appear with this facial designed for first wrinkles, with instant anti-ageing results. Suited for skins aged 25-35. After the treatment your skin will be radiant, hydrated and its collagen reserves restored.

Hyaluronic Anti-Aging Facial 60 min .................................................................................................................... $95
Correct the signs of ageing as they appear, with this smoothing and filling facial designed for age 35+ or for more pronounced wrinkles. Hyaluronic acid leaves the face looking younger, smoother & less wrinkled while intensely hydrating.

Silicium Anti-Aging Facial 75 min ........................................................................................................................ $120
Dare to defy time with this super lift facial, designed to combat all the signs of ageing at 45+ (loss of firmness, pronounced wrinkles). Visible results after just one treatment! Your complexion will glow, lines will be less noticeable, your skin firmer.

LED

Light Therapy

LED treatments are designed to target skin clearing, redness reduction, skin tone correction & signs of ageing to give you a more radiant, beautiful & younger looking skin.

The clinically proven bt-Accent LED uses three key LED colours, red, blue and combination to specifically target these common skin concerns.

LED Customised Facial 45 min ........................................................................................................................... $89
Skin is cleansed and exfoliated to reveal a clean fresh skin, then once an accelerator serum is applied we then start a tailored LED session to target your specific skin concerns. Finish the treatment with a suitable moisturiser to leave the skin hydrated and more radiant.

Express LED Session 20 min .......................................................................................................................... $49
Add any customised LED session to any of our facials to create a more advanced targeted treatment.

**Sugar Glow Exfoliation** 50 mins.................................................................$79
Sugar Cane harvested from the sun drench plantations of Fiji combined with exotic tropical nut oils nourish skin with vitamins A, B, C & E to create the ultimate healthy glow. Relax and enjoy as milk from the coconut combined with macadamia and coconut oil are gently massaged into the skin followed by an application of pure cane sugar and tropical nut oils ridding the body of dead skin, revealing new healthy skin as well as strengthening the skin’s elasticity and replenishing moisture loss.

**Royal Milk & Honey Ritual** 80 mins.........................................................$109
Fijian Honey & Coconut Milk are combined to create a Royal Fijian Ritual. This treatment is designed to hydrate, nourish, tighten and strengthen the skin. Organic Cane Sugar combined with exotic drift nut oils gently exfoliate the skin. Next, a moisturizing honey masque high in antioxidants and vitamins is applied and gently massaged into the skin. A Fijian Scalp Treatment concludes this ritual leaving your body soothed & replenished by a little bit of island milk & honey.
