

HAM on Regal IS BACK!

Help us make 2018 the **BIGGEST** and **BEST** show yet!

Hammie History

It all started in 1963 with a crazy idea from a bunch of Ferris parents: "Let's put on a show!" The ongoing impact of that impulse reverberates in the halls of Ferris High School to this day. Tens of thousands of dollars raised during Ham on Regal are allocated every year to help make Ferris one of America's great high schools. It

only happens if the entire Ferris community pitches in, so here's your chance to make 2018 our best year ever — both on stage and in its impact on students!
